# P5M Home Learning Grid

## 20<sup>th</sup> April -3<sup>rd</sup> May 2020

Here are some suggested activities for you to try at home. These will be updated on the website every fortnight.

<https://blogs.glowscotland.org.uk/st/braeheadprimarschool/>

<p><b><u>Literacy – Spelling</u></b></p> <p>Practise these Spring words choosing one of the strategies you use in Class.</p> <p>Springtime lamb calf calves blossom daffodils bunnies lifecycle</p> 	<p><b><u>Literacy – Writing</u></b></p> <p><i>This task will be used for the 'How I feel about my learning journey' box in your end of year report . We would love to hear your views.</i></p> <p>Please write down how you feel about your learning journey in P5.</p> <ul style="list-style-type: none"> <li>• What have you enjoyed?</li> <li>• What area have you most improved on?</li> <li>• What do you feel you need to work on?</li> <li>• How do you think you learn best? (individual/partner/ in a group)</li> </ul> <p><i>If you are able to please could send us your comments on Seesaw.</i></p> 	<p><b><u>Literacy – Reading</u></b></p> <p>Read the attached poem 'SPRING'.</p> <p>Draw a picture of what you visualise as you read this poem.</p> <p>Continue to read as much as you can and record in your First Minister's Reading Challenge passport.</p> 
<p><b><u>Numeracy and Maths</u></b></p> <p>This could be a daily task or as often as you wish. Choose a 3,4,5 or 6 digit number. Do the following to the number each time:</p> <p>Write it in words Partition it (356 = 300 + 50 +6) Write the number immediately before it. Write the number immediately after it. Is it even or odd? Write 3 even numbers before it. Write 3 odd numbers after it. Double the number. If it is even, find ½ of it.</p> 	<p><b><u>Numeracy and Maths</u></b></p> <p>If you have a pack of Playing cards why don't you play on your own or with a family member.</p> <p>Turn 2 Cards over and either add them, subtract them, multiply them. You decide! See how quickly you can get to the end of the pack. Perhaps when you get better at it you could be timed.</p> 	<p><b><u>Numeracy and Maths</u></b></p> <p>If you are able to, go on a family walk and see what 3D objects you can see. (eg; house – cuboid and triangular prism, bin - cuboid)</p> 

### HWB

If you are able to please could you write down and send to us on Seesaw your achievements both in and out of school in P5. ( eg: are you part of a team/club? Do you do gymnastics? Do you play an instrument?)

**Week 1:** Google 'Crunchy carrots: from farm to fork' and watch the 3 min 50sec video clip (Tesco eat happy project). Choose 3 interesting facts to share with a member of your family.

**Week 2:** Google 'Crunchy peppers: from farm to fork' and watch the 3 min 12sec video clip (Tesco eat happy project). Again choose 3 interesting facts you learned to share with your family or in as Creative a way as you want draw the journey a pepper takes from being grown to being on your plate at dinner.

### Creativity

Can you make an origami daffodil by following the attached instructions? You can use any colour of paper. Have fun. 😊

### Outdoor / Active

If you are able to, go on a family walk and see what signs of Spring you can spot.

Enjoy this lovely Spring sunshine. ☀️

*As of Monday 20<sup>th</sup> April BBC Scotland Bitesize are going to be showing some fabulous lessons daily from 10am -11am. If you can please watch some of these - we certainly will be 😊*

*You can upload any of these tasks to Seesaw (if you would like) and we will be able to give you some feedback. We would also love to see what else you have been doing at home.*

*We miss you all, stay safe and we hope to see you all soon.*

*Mrs MacAlpine and Mrs McNab*

Remember that you can use Sumdog  and TTRS  at anytime too.

## SPRING

Spring is here, spring is here!  
Leaves and buds everywhere.  
Caterpillars crawl along,  
The birds sing a cheery song.

The smell of grass in the air, Children playing without a care.  
Bees flying from flower to flower,  
A rainbow appears during the fresh shower!

The coldness of winter disappears,  
The warmth of spring reappears.  
Goodbye to the dark and hello to the sun  
Spring is a time to play and have fun!

## Daffodil Origami Craft Instructions
