Home Learning Grid

Here are some suggested activities for you to try at home. These will be updated on the website every fortnight.

<https://blogs.glowscotland.org.uk/st/braeheadprimaryschool/>

Literacy – Spelling
Word Bank
 Create a word bank of 5 unfamiliar words a day. These words can come from reading, a tv show or any other source. Each word should be spelled correctly and contain a definition. At the end of the week these words can be used to create 5 silly sentences.

Literacy – Writing
Reflection on Year
 Write a short summary of your year in Primary 7. This should be no longer than 150 words and should describe how you feel you have progressed this year as well as containing your highlights of Primary 7. This will be used in your upcoming pupil reports.

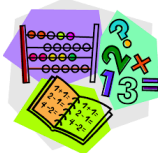

Literacy – Reading
Storyboard
 Create a storyboard containing the six key scenes from a favourite novel or film. Each scene should contain a brief description of the events shown in your scene.

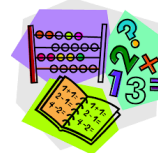

Numeracy and Maths
Fantastic fractions competition
 Take part in our fractions competition available on Sumdog. The competition will run from 20th of April to the 3rd of May.
 Good Luck!

Numeracy and Maths
Strategy Poster
 Create a poster which demonstrates your favourite multiplication strategy. Share this strategy with someone at home then test the strategy on the following problems
 $5 \times 15, 4 \times 36, 145 \times 12.$

Numeracy and Maths
5 a day
 Take part in our 5 a day challenge and apply your strategies to solve our problems from bronze to Platinum. Follow the link to access our problems.

HWB Gratitude

Practice gratitude by finding one thing that you are thankful for each morning. Make a note of this and review your gratitude list at the end of the week.

Creativity -Spring Engineering Challenge

Design an egg parachute out of recycled materials.

Your egg must survive the landing without cracking.

Use boiled eggs for the experiment to avoid mess.

I'm expecting eggcellent work from this task...

Outdoor / Active Nature Photograph

Take a weekly photograph of nature during your daily exercise. An example would be daffodils blooming.

This will can be used to make a collage as you grow your own nature photo album.

Remember that you can use Sumdog  and TTRS  at anytime too.
