in a tub. Shake and then pick  
one – that will be your number.

**Literacy – Writing**

Where is your favourite  
place to go in Braehead or Stirling?  
Write about when you go there,  
who you go with and why you like  
it.  
Use capital letters at the beginning  
of each sentence. Remember to  
check through spelling.

**Literacy – Reading**

Read the comprehension  
exercises on the Loch Ness  
Monster and answer the questions.  
You could make up a fact file of the monster  
once you have finished using  
information from the sheets.  
On this can be – spot the verbs  
adjectives. Write a description  
of what you think the Loch Ness monster  
look like.

If you can, go on the Oxford  
dictionary (shown below) and read other  
books about sea animals.

## Numeracy and Maths

Solve the mystery of the missing football. This activity has different maths word problems. Worksheets are in this section of 3P folder. Some of the problems are trickier than last time. Who is the football thief?

## Numeracy and Maths

Complete the Maths challenge. Children can find the answer by using a 100 square. These are a range of problem solving strategies. There might be different ways to answer. If the numbers are too difficult for your child then make numbers but you can keep the same. Remember not all answers may be found by writing a sum. You may want to use items around the house to help them find the answer. Draw representations of how they found the answer. These cards will help with a range of number concepts which your child has already been introduced to in P1, P2 and P3.

<p><b>Stay Hydrated</b></p> <p>Our bodies need lots of water to run properly especially when it is hot outside. It is recommended that you drink between six and eight glasses of water a day. Keep this in mind when taking part in our fit fortnight challenges.</p> 	<p><b>Move it!</b></p> <p>Regular movement breaks improve our concentration, mood and fitness. Try to move every hour for at least 5 minutes. To help with this you could set a timer to keep you on track in this challenge. A few of our favourite movement breaks are linked below</p> <p><a href="https://www.youtube.com/watch?v=HnQe8Dmg_a">https://www.youtube.com/watch?v=HnQe8Dmg_a</a>  <a href="https://www.youtube.com/watch?v=VWfpphCQw">https://www.youtube.com/watch?v=VWfpphCQw</a></p> 
---	---

- Create a house song or chant and perform it for your teacher.
- Design a house poster or winning certificate for our rainbow races.
- Create a team mascot.
- Build your own obstacle course for your family.
- Make your own medal.
- Research the Olympics.

You could be creative by using recycling, pens, paint, or natural materials you find on your walks!

Each task you submit will earn you 1 house point.

Good luck!
