# Nursery Home Learning Grid 25-5-20

Here are some suggested activities for you to try at home. These will be updated on the school website every week.

<p><u>Monday</u></p> <p><u>Outdoor Learning</u></p> 	<p><u>Tuesday</u></p> <p><u>Early Numeracy</u></p> 	<p><u>Wednesday</u></p> <p><u>STEAM</u></p> 	<p><u>Thursday</u></p> <p><u>Health and Wellbeing</u></p> 	<p><u>Friday</u></p> <p><u>Early Literacy</u></p> 
<p><u>Rainbow Races</u></p> <p>Nest building- can you collect lots of twigs , leaves and other items you think might be good for a nest. Once collect create a nest.</p>	<p><u>Make a plan for the day.</u></p> <p>Cut out squares of paper and draw things on them that you will do throughout the day. E.g wake up, get dressed, build with blocks, colour a picture, lunch do some number work. Put these pictures in a sequence and follow it.</p>	<p><u>Moon Sand</u></p> <p>All you need for this is 4 mugs of flour and 1 mug of baby oil. Really soft and fun to play with.</p> <p>Let your child take the lead in counting the mug and mixing. If you don't have baby oil vegetable oil may work too.</p>	<p><u>Food Alphabet Train</u></p> <p>Have a look at our food alphabet train (or make your own) and see how many new foods you can try.</p> <p>(see below)</p> 	<p><u>Story Time</u></p> <p>Listen to a favourite story read by a grown-up, then you take a turn to 'read' / tell the story to your grown up. Look carefully at the pictures – they will help you to remember / tell the story.</p>
<p><u>Rainbow races</u></p> <p>Water play- all you need is buckets , tubs, things that you can pour water into,. Do you have any animals that might like the water? Explore and have fun playing with water. Do you have food colour to change the colour? What happens when you add bubble bath?</p>	<p><u>Action songs about counting.</u></p> <p>This activity should be lots of fun. Sing some songs that include counting. Use props or make them and you can teach your siblings, parents and family.</p>	<p><u>Balloon Rocket Race</u></p> <p>You will need a balloon, string, straw, sellotape and toilet roll tube. Create and draw your own rocket on the toilet roll tube and stretch out some string. Once decorated tape a straw to the inside of the tube and thread the string through. Pull the string tight. Attach the balloon to the top with sellotape and watch them race.</p>	<p><u>Alphabet Word Blocks</u></p>  <p>For this activity you can use wooden blocks, lego, duplo or paper. You will need a sharpie, some long blocks (three or four block size) and individual size blocks. On the long block write (or stick on) your word – on the small blocks write the individual letters. Do the same for several words and the muddle up the letters and ask your child to make the words. You can use paper squares if you do not want to write on your blocks.</p>
