

3P – Mrs Parseghian - Home Learning Grid 4 1st June

Here are some suggested activities for you to try at home. These will be updated on the website every fortnight.

<https://blogs.glowscotland.org.uk/st/braeheadprimaryschool/>

<p><u>Literacy – Spelling</u></p> <p>A homophone is used for a word that sounds the same but is spelt differently. E.g. there, their and they're.</p> <p>Using the tasks included pick the correct word which fits in each sentence. Once you have done that see if you can find other words which sound the same but are spelt differently. Remember to look up the meaning of words you don't know.</p> 	<p><u>Literacy – Writing</u></p> <p>Write a step by step guide to how to make a sandwich. If you make the sandwich first from the HWB lesson below then you can write a step by step on how to make it. You could also write a step by step on how to make a pizza.</p> 	<p><u>Literacy – Reading</u></p> <p>Complete the mystery of the missing pirate. Use the literacy clues to find the pirate.</p> <p>If you can, go on the Oxford Owl website (shown below) and read books which match your reading level in class.</p> 
<p><u>Numeracy and Maths</u></p> <p>Complete the sums with the missing number or symbol. Choose which exercise you want to do or do all.</p> 	<p><u>Numeracy and Maths</u></p> <p>Practice sharing items with a variety of numbers. You will need bottle tops or counters, buttons etc. Follow the instructions on the enclosed sheet.</p> <p>Please watch this video on BBC bitesize beforehand. .</p> <p>https://www.bbc.co.uk/bitesize/topics/znj7hyc/articles/zhgjpg8</p> 	<p><u>Numeracy and Maths</u></p> <p>Complete the mystery of the missing trophy – sheet enclosed.</p> 

HWB / Context

Our context at school this term would have been Healthy Food Week – we had planned to go to Pizza Express and make a pizza and have a visit from Warburton's bread to tell us about how they make bread and have the opportunity to create our own sandwich. Can you do the following:-

- Create your own sandwich. If you can take a photo of it and put it on seesaw. List the ingredients that are in it.
- I am enclosing pizza recipe base ideas. If you can see if you can make a pizza base and create your own topping. Again if you can take a photo of it and put on seesaw.
- See if you can make something else – maybe a salad or an egg recipe.

REMEMBER YOU WILL NEED AN ADULT TO SUPERVISE YOU.

Creativity

We are considering how best to support our children make the transition back to school in August. We thought that photographs showing what life in lockdown has been like for your child would help support discussion on this topic. In line with GDPR could you write on the back of any photographs you submit: "I give permission for this photograph to be shared with staff and children at Braehead Primary School" followed with your signature. Thank you.

Outdoor / Active

- Choose your favourite sport that you have completed during Fit Fortnight and see if you can get all your family to join in with you.
- Create your own dance to a song you like
- If it is raining and you can't get out then do your 5-a-day.
- Practice skipping with a rope.

There is a website :- Oxford Owl which if you register allows you to access online books – it is free. If you join you can access books at the same level your child has been using in class. Levels are as follows:-

Gruffalos – Level 1 / Tiddlers – Level 3 / Highway Rats – Level 5 / Zogs – Level 6 / Stickmen – Level 9.

<https://home.oxfordowl.co.uk/>

Remember that you can use Sumdog  and TTRS  at anytime too.
