

## P6 Tasks

### Numeracy

Go on a shape walk in your house and list all the 2D and 3D shapes you can find. If they are 3D name the 2D shapes that make up the 3D shape. Name the properties of the shapes, vertices (corners), edges and faces.

The Clock Tower

Watch the short film <https://vimeo.com/79016918>

Create a poster to advertise the film.

Write a story either from the characters point of view or write the backstory (prequel) to the characters story. How did they end up in this situation?

Create two more characters for the film. Draw a picture of each character and write a short paragraph giving details on them and how they know the main character.

A day in the life

Write a diary entry for one day of your life. Could be a birthday, or a visit somewhere, or just an ordinary day...

What did you do? How did you feel? Who did you see? Describe your surroundings using rich descriptive language.

Reading

Choose a book to read and complete 4 of the tasks for it.

Once finished find another book to read and complete a different 4 tasks for that book.
