Activities

Children in Primary 5, 6 and 7 have only just started doing Spanish, starting in January, so activities need to be kept simple.

1. You can ask them to tell you the time at any time of the day, and you could start the day by sharing the date. The format for the date is day, number, month.
el sabado, 10(diez) de junio Saturday 10th June
2. Draw a picture of yourself on an A4 piece of paper. Under the picture, write a description of yourself. Use the masculine gender of the colours for hair and eyes as they are both masculine words.
3. Draw a picture of your family and pets. Label the picture using vocabulary from the **About Yourself** section. Include as many family members and pets. You can use google translate to find the words for pets other than cats and dogs.
