

Play Hit the Button on <b>TOPMARKS</b> website - focus on number bonds, halves, doubles and times tables.	When out on your walk try to find some trees. Look at their leaves and if possible bring a leaf home and identify it. Draw and label your leaf.	Make up a wordsearch or a crossword or a quiz about Seas and Oceans.	Thinking back to our Weather topic, draw and label the Water Cycle.
Use the Water Cycle words and look up their meanings in the dictionary. Write down all their meanings. Use your homework jotters.	Find examples of cylinders, cones, cubes and cuboids around your house. Draw or photograph them.	Keep consolidating the 2,3,4,5 and 10 times tables.	Play board games with the family.  Play Higher or Lower with a pack of cards. Remember you get nothing for a pair!
If you can get a hold of any Dick King Smith books, read one that we didn't read during Snackastory.	Write a story about a walk through a forest. Remember our trips to the wood. Use your senses to help you write the story. Aim for an A4 sheet full.	Keep reading! Read as many books, comics, newspapers, magazines as you can. Record what you have read and write a short review of them.	Write an Acrostic Poem entitled, SHUTDOWN. Illustrate your poem.
Write Ms Muir a letter and tell her all about life at home. Tell me what you are thinking and feeling about this unusual time.	Design and draw an ideal garden for Shutdown. Remember to include areas for all members of your household. Write about the design.	Make a model of a shark or a whale. Tell me how you made it and take a photograph of it.	Write a step by step guide on how to wash your hands.
	On your daily walk see how many things you can find that are <b><u>Yellow</u></b> . Take photographs or write and draw a list of them.
