Hello!

This is my school

(photo of your school)

Because of a coronavirus called COVID-19,
I haven't been able to go to school for a very long time.

Instead of school we have been staying at home to stay safe.

We have been allowed one form of exercise a day...

When we have been out we make sure to stay 2 metres apart from other people.

We make sure we wash our hands properly - for as long as it takes to sing 'Happy Birthday' twice.

Here are some things I've been doing during lockdown:

Some things will be different...

What will be different at your school?

Lunch will be in a different swamp!

And some things will still be the same.

Most importantly, these friends will be going back to school with me.

The best thing about being at home has been...

I feel about going back to school,
because...

When I go back to school,
I am looking forward to:

Last day of lockdown!
