

Time Challenge

How many times tables questions can you answer in 1 minute? Can you beat your record?

Maths

Go on a 3D shape hunt. What shapes can you find?

Numeracy

Go on a number hunt. Create addition, subtraction and multiplication calculations using the numbers you have found.

Numeracy

Roll a dice 2 or 3 times to generate a 2 or 3-digit number. Write down all the different ways you can partition the number.

Cambusbarron Primary School Primary 2 Numeracy & Maths Learning Grid

Week beginning: 23.03.20

These are suggested activities and ideas which your child can do to support their weekly learning focus. It is not mandatory to complete

Bake a treat

Help an adult to bake.
Your job is to help to measure all the ingredients.
What are you using to measure? – scales, cups, spoons, jug etc.
What is being used for bigger/smaller measurements?

Money Bags

Look at some money and begin to work out the different coins.

Can you find;
1p, 2p, 5p, 10p, 20p, 50p, £1, £2. What differences do you notice (size, colour).

Can you add 2 coins together?

Adding it up!

Use dominoes, cards or number flashcards to create addition sums. Can you write out the sums and work out the answer.

You might need to use concrete materials or a number line.

1 Minute Challenge

Set a timer for 1 minute and count how many times you can do different activities.
Try: star jumps, lunges, jumping, writing your name, kicking a ball etc.
What other things could you try?
