

<u>Numeracy & Maths</u> <u>Learning Targets::</u> Learning Intentions / areas from progression pathways I know my 2x, 3x, 4x 5x tables. I can use am and pm correctly I can measure accurately using the appropriate units. I can use analogue and digital clocks to show and read $\frac{1}{4}$ to and past the hour. I can add and subtract three numbers to 20.	Cambusbarron PS P3 Home Learning Links Wb: 23.03.20  Spring is arriving and some nice weather with it to cheer us up. Go outside if you are allowed and do some playing and running about. Find a lovely kind thing to do each day for your family and keep washing those hands! :) Ms Vass	<u>Literacy & English</u> <u>Learning Targets:</u> Learning Intentions / areas from progression pathways I can talk about what I have learned while watching/ listening. I can read for enjoyment. I can create a piece of writing showing an awareness of audience and purpose. I can check my work has structure. I can use P3 spelling words and joining words. I can find information through reading
