Use your stirlingschools.net login  
(same password as logging into a Chromebook at school)

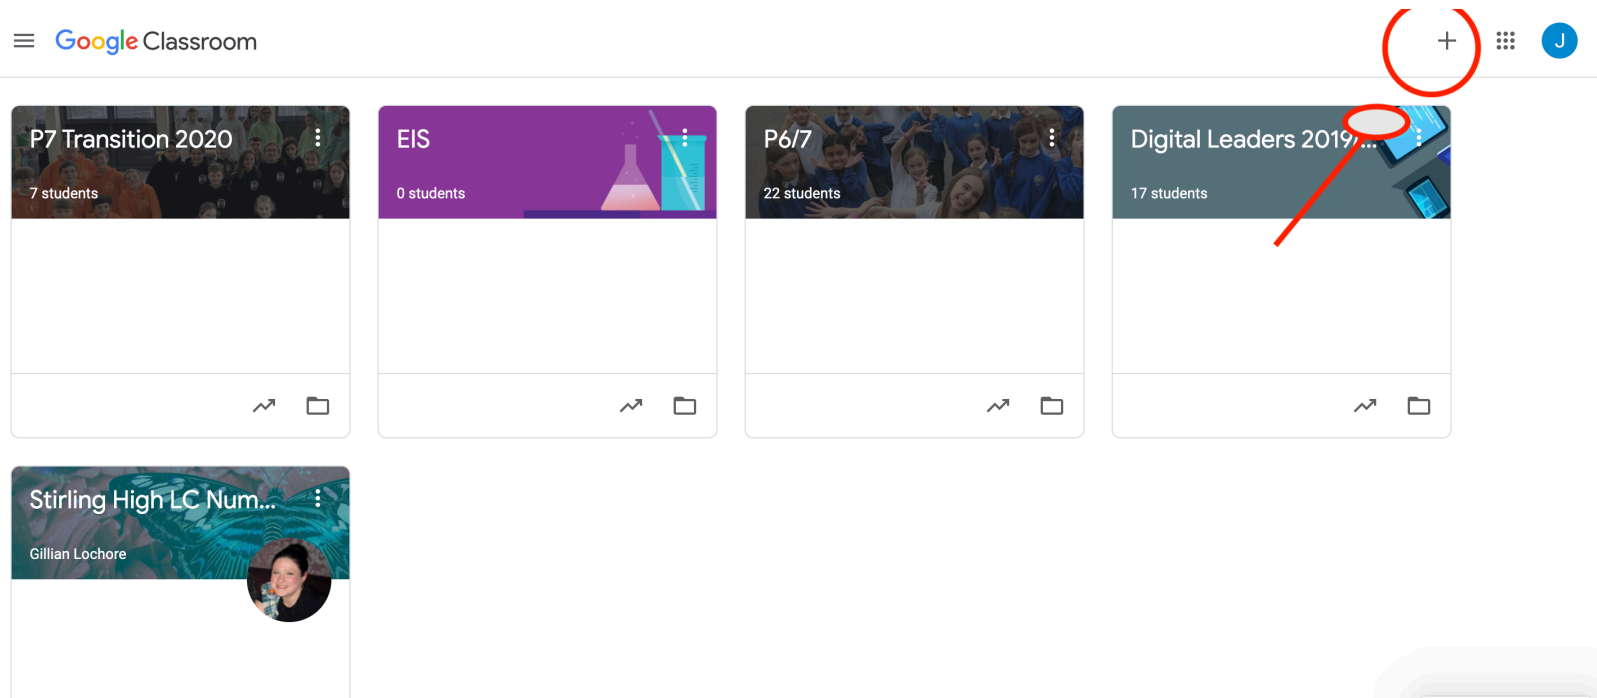

The image shows a Google login interface. At the top is the Google logo. Below it, the text "Hi Jessica" is displayed. Underneath is a dropdown menu showing a profile picture of a person with the letter 'J' and the email address "pollockj21s@stirlingschools.net". Below the email is a password input field with the placeholder text "Enter your password" and a vertical cursor. To the right of the password field is an eye icon for toggling visibility. At the bottom left is a link for "Forgot password?". At the bottom right is a blue button labeled "Next".

Then it should show you all the classrooms you're a part of.  
P7 Transition 2020 should show up.  
If it doesn't, go to the next page

If it's not there, press the + button and enter the class code.  
The class code is on our learning grid.

Then you should be in. It lands you on the 'stream' which is where posts from teachers go and pupils can reply.

The menu at the top is where you can navigate around the classroom.

The screenshot shows the Google Classroom interface for a class named 'P7 Transition 2020'. At the top, there is a navigation menu with four items: 'Stream', 'Classwork', 'People', and 'Marks'. A red oval highlights this menu. To the right of the menu are icons for settings, a grid, and a user profile (a blue circle with the letter 'J'). Below the navigation bar is a large banner image of a group of students. The banner includes the text 'P7 Transition 2020' and 'Class code sgviacy'. Below the banner, there is a section for 'Upcoming' assignments, which currently shows 'No work due in soon' and a 'View all' link. To the right of this is a text input field for sharing something with the class. Below that is a post from 'S Cook' dated '4 May', with the text: 'Hi Everyone, so excited to have Google Classroom and be able to chat to you all! I have been missing you all so much! Send a wee message to say how you are and what you've been up to :)'. Below the post is another text input field for adding a class comment. At the bottom, there is a notification for 'Jessica Pollock posted a new assignment: S1 Timetable' dated '29 Apr (Edited 1 May)'. A small question mark icon is visible in the bottom left corner of the interface.

'Classroom' is where all the tasks (assignments) from teachers are kept.

The screenshot shows the Google Classroom interface for a class named 'P7 Transition 2020'. The 'Classwork' tab is selected, showing a list of assignments. At the top, there are navigation tabs for 'Stream', 'Classwork', 'People', and 'Marks'. A 'Create' button is visible on the left, and 'Google Calendar' and 'Class Drive folder' options are on the right. The list of assignments includes:
