

Numeracy & Maths Revisiting Learning: I can add and subtract numbers within 1000 & to 2dp (P6) / 10,000 & 3dp (P7) mentally. I can add and subtract using written strategies including carrying and borrowing. I am fluent using the 6, 7, 8, 9 times tables.	Cambusbarron Primary School P6/7 Home Learning Links Wb: 20.04.20  Hello ☺ I know things are different at the moment but hope you all had fun this Easter and ate chocolate! I've been in the mood for some good ol' Kid President recently, and I thought I'd share one of my favourite videos he created – '20 Things We Should Say More Often'. I can't believe this video is from 2013! You could make an updated version to spread a little cheer ☺ https://www.youtube.com/watch?v=m5yCOSHeYn4 Take care... I'm missing you all! Miss P ☺	Literacy & English Revisiting Learning: <u>Reading</u> I can make notes and summarise what I've read in a way that makes sense and includes the key details. <u>Writing</u> I can identify descriptive words and phrases. I can organise my writing in a way that is appealing to my readers. I can check and edit my sentences to ensure they make sense. <u>Spelling</u> I can explain the difference between synonyms, homophones and antonyms.
