

<u>Numeracy & Maths</u> <u>Learning Targets::</u> <i>Learning Intentions / areas from progression pathways</i> I know my 2x, 3x, 4x, 5x, 10x tables. I can measure accurately using the appropriate units. I can use am and pm correctly I can use analogue and digital clocks to read and show o'clock, half past and $\frac{1}{4}$ past and to the hour I can add and subtract three numbers to 20. I can recognise and describe 2D and 3D shapes using the terms: side, face, edge, vertex	Cambusbarron PS P3 Home Learning Links Wb: 20.04.20  Spring is here and trees are blossoming which is cheering. Go outside if you are allowed and do some playing and running about. Making things is fun, try out a new craft or arty thing you haven't done before. Most of all, do a fun thing teach day with your family and keep washing those hands! :) Ms Vass	<u>Literacy & English</u> <u>Learning Targets:</u> <i>Learning Intentions / areas from progression pathways</i> I can read for enjoyment. I can create a piece of writing showing an awareness of audience and purpose. I can check my work has structure, in an order that makes sense. I can use P3 spelling words and joining words. I can find information through reading, watching or listening. I can make some notes about my reading, watching or listening. I can talk about what I have learned while watching/ listening.
