| <p><u>Science Experiment</u></p> <p>Carry out an experiment:</p> <p>Build an 'o' wing glider from a straw and two paper hoops stuck to each end. How well does it work? Try different lengths of straws and different sizes of hoops. Which example flew the best?</p> | <p><u>Would You Rather?</u></p> <p>Which super power would you choose to have and why?</p> <p>How would you use it to help others?</p> <p>Every hero needs a costume. design yours linking to your power/abilities.</p> | <p><u>Mindfulness</u></p> <p>Think of a time when you were afraid that you couldn't do something but can now. How did you achieve it? How long did it take? Did someone help you? Think of how you felt throughout. Are you proud now? Is it now something you can do without thinking?</p> <p>Talk to someone at home about the power of 'yet' and how you could choose a new thing to work on together.</p> |
| <p>Countdown</p> <p>How close to 826 can you get by using these numbers -</p> <p>100, 25, 5, 3, 7, 9, 10</p> | <p>Cambusbarron PS Primary 5 General Activity Grid</p> <p>wb: 20.04.20</p> <p><i>These are suggested activities and ideas which your child can do. It is not mandatory to complete all activities.</i></p>  | <p><u>ART</u></p> <p>Remember how we looked at perspective? Try to recreate your street using this technique. Remember to have a horizon, a vanishing point and light guidelines to help you place your items.</p> |

Funology Jokes

With your family, can you make up lots of comic titles for books by weird authors?

e.g.

'Look at the Forest' by Theresa Green
'How to Use a Mop' by I.P.Squint

Drama

Be creative and make a puppet theatre and sock puppets. You can use these to link to one of your literacy activities.

Get oot!

Can you help in the garden?
Are you getting out for exercise?
Take some art materials and get outside with them.

Build a den with things from the house (ask an adult first, don't run outside with all the family cushions!)
