School closed for Feb Break

## Dear Families,

I hope this newsletter finds you well and not too rushed as you plan for a lovely Christmas with family and friends.

From all of our team here at Cambusbarron Primary we wish you all a safe, and fun festive break.

Mr Mark Hill

## Staff News

We are saying a very fond farewell to Mrs Sarah Sharpe who has been working to support our children as part of the SLA team. Sarah will be missed and we wish her all the very best.

A warm welcome back to Megan Tuff who will be rejoining the SLA team following maternity leave. Megan visited last week and can't wait to get back to working with the children.

## P1 Nativity

We are all so proud of our P1 children for their brilliant performance of The Twinkly Nativity. We hope that parents and families enjoyed the performances and they helped to put everyone in the festive mood. Thank you again to our P1 teachers and SLA team who worked tirelessly to support the children in delivering a performance they can all be proud of.

## Christmas Fayre

A massive thank you to all of our Parent Council Fundraising team (and parent helpers) who put in so much work to organise. As a community we raised over £1500 for the school and nursery. This money will be used to support children in the coming months and is appreciated.

## School Enrolment

Cambusbarron Primary are currently accepting enrolment forms for session 2025-2026 for children who will be joining us in P1.

To enrol for school please find the form on Stirling Council Website, [www.stirling.gov.uk](http://www.stirling.gov.uk) click on schools and learning, then enrol your child at school or follow the [link here](#).

## P2 Community Singing

Our amazing P2's went to the Cambusbarron Community Hub drop in session to sing. The audience was really appreciative of the festive visit and commented that the children were very well behaved and had fantastic voices. There was even some dancing too! Well done P2.

## New Year Wish—Parking / Speeding

Despite previous communication we are seeing an increase in parents and carers parking in the no parking zone (outside the school gates), on double yellow lines and also in the staff car park.

Please can we remind all parents and families that the school car park is for staff only and is not to be used for drop off and pick up for children, this includes nursery families. If you are running a little late please **do not** use the car park to drop children off—it is not a safe place to do this.

We have also been notified by concerned parents / carers about the speed of some drivers on Thomson Place. Please be mindful that we have young children and families making their way to and from school and nursery. We appreciate your support.
