Dream, Believe, Achieve

## Dear Families,

We are delighted to welcome back all our learners into school after a superbly sunny summer holiday. It's nice to see the good weather has continued and the children are enjoying playing in the sunshine. We are so proud of how well the children have settled in and a huge thanks to the staff team who have been there to support.

A special mention to our new P1 children who have adapted remarkably well to their new surroundings and the adults supporting them. A testament to the transition experiences delivered before summer and to their natural curiosity to explore their new school and playground.

Over the coming weeks we will be exploring our school values;

These shared values underpin all our work at Cambusbarron and will be shared and promoted throughout the school this coming year.

Our vision at Cambusbarron Primary is to inspire, challenge and support each and every individual to aspire to be the best they can be, never to give up, be curious about learning and life and to grasp every opportunity with open hands.

We are so excited to get started and look forward to working with all our families over the coming year.

Mr Mark Hill

## Staffing

I would like to warmly welcome some new faces to the Cambusbarron Primary team.

Mrs Morrison (P7)

Mr Campbell (P3/4)

Mrs Halliday (P1/2)

Mrs Miron (SLA Team)

## Classroom Open Evening

We would like to invite parents to school on the evening of Thursday 4th September from 6pm-7pm.

This will be an informal 'drop in' evening for parents and carers to come and visit your child's classroom. Children will be encouraged to attend so they can show you around their learning space.

This is an opportunity to see the classroom, look at resources that will be used in class, chat with the teacher, and find out some information about the year ahead.

Each class will share their Termly Learning Newsletter too. If you are unable to attend please do not worry. The Termly Learning Newsletter will be sent home and there will be other opportunities to visit your child in school over the coming year.

## Nut Free School

At the beginning of the year we like to remind all families that we are a nut free school. This is due to a range of allergies that some of our young people have at school and nursery.

In order to protect these children we have a policy that states no food, which contains nuts, can come onto the premises. If a child has anything, which has nuts as an ingredient, we will sensitively remove that item and replace with something else. Please be reassured that no child will go without a snack. Your support is appreciated.

## PE Kit

Thank you for your continued support in ensuring that your child wears the correct PE Kit. Please ensure your children's clothing is labelled.

### **PE uniform consists of;**

- black or white trainers
- plain white T-shirt
- Black/navy leggings, tracksuit bottoms or shorts

**PE Safety** - A wee reminder that children will be asked to remove or cover earrings before taking part in PE sessions. This is to avoid injury with earrings during physical activity with others. If you wish your child to cover stud earrings then please provide tape (Micropore tape works well) and staff can help with this in class as required. If your child wears hoop earrings please show your child how to remove these before participating in PE.

If you require support regarding school uniform then please contact the school office who will be happy to support.

## Lost Property

We continue to gather large numbers of jackets, jumpers and cardigans within our lost property area. We will return named clothing to their owner but many items do not have a name or have the name of a child who has passed their clothing on.

Can I ask you to **ensure all clothing is labelled** and if you think an item may be stored in our lost property please let us know. Lost property is stored in the Janitor's office.

Unclaimed lost property will be added to our pre-loved bank of uniforms or to the Rag Bag on a termly basis.

## Safeguarding

As this is the first newsletter of the year I wanted to highlight to our families that we have a well established system for safeguarding children in our school and nursery. Safeguarding is one of our Statutory duties. It's all of our jobs to make sure we safeguard children in school but we have key leads on this matter who are responsible for co-ordinating that safeguarding. These key individuals are Mark Hill (Head Teacher), Danielle Smith (DHT) and Toni Swain (Nursery Principal).

On the first INSET of any school year, staff all receive training regarding safeguarding and child protection and are briefed on our system and how to report concerns. This could be a child disclosing something to them, which would mean they are potentially at harm or they feel that a child in their care is failing to thrive.

If you at any point are concerned about a child who attends our school then we are here to give advice. Please do not hesitate to contact us.
