

## East Plean Primary School and Nursery Welcome back- Term 2

### Welcome back

Welcome back to term 2. I hope everyone had a positive two-week break from school and feel ready for the term 2 learning and activities. We have lots to look forward to this term and we look forward to welcoming some parents in to school for sharing learning assemblies, Nativity performances, Make and Taste sessions and as school excursions volunteers! Please read on to find out more about all that we have planned this term in East Plean.

### Sharing Learning

Following consultation with staff and parents, we have deactivated our school  account (Twitter). We do not feel this is a positive forum to be part of at present. Instead, we will be setting up Parent/ Carer Sharing Learning Classrooms for each class. These will be secure, safe spaces to share class learning and experiences with parents/ carers. Each parent/ carer will be invited to complete a Google form, giving permission for your child's image to be shared on this site, providing up to date email addresses and acknowledging that images from Google classroom will not be copied and shared on private social media platforms. Once all forms have been returned Sharing Learning Classrooms will go live and parents will be able to share their child's learning journey regularly. It is important to note that this facility does not offer a two way communication. If parents/ carers want to contact the class teacher, our school email address is [epleanps@glow.sch.uk](mailto:epleanps@glow.sch.uk) We look forward to sharing learning with you in this new and safer environment.

### Parent Council

A huge thank you to our Parent Council for organising and hosting our Pumpkin Patch on Sunday 13<sup>th</sup> October. Thank you to all who came along, to those who baked and to all stallholders for making our afternoon a success.
