

East Plean Primary School and Nursery *February 2025*

Mid-term break

As we approach our February mid-term break, we are reflecting on the successes and achievements of our young people and of the exciting activities planned for the rest of the term.

Primary 6 confidently shared their learning with the whole school, parents and families on Friday, showcasing their learning from their Victorian context and Scots Language learning. In January, I met with groups of pupils from each class to discuss their progress in writing this session. From Primary 1 to Primary 7, all learners were able to explain their learning, identify their progress and recognise their next steps. Since our return in January, 68 learners have been to visit me to share their achievements and be recorded in the Big Book of Praise. Our learners are successful, confident and effective! As we look forward to the excursions, visits, performances, new learning and sharing learning our school and nursery community continue to reflect our values in their commitment to learning, caring for each other and playing their part in leading and driving our school forward. #powerofPlean

Pupil Progress Meetings

This year's Pupil Progress Meetings will take place on Wednesday 26th February and Thursday 27th February from 5-7pm. You should have received a letter inviting you to select a preferred evening for your appointment. If you have not received this letter, please contact the school office to request an appointment. Appointment dates and times will be issued on Monday 17th February- please watch schoolbags for the letter. Thank you.

Google Classroom

Our Sharing Learning Classrooms went live on Friday 31st January. We hope you received your invitation to join the classroom. If you have not received an invitation, it could be that you do not have a Google account (gmail). We look forward to sharing your child's learning journey through Google Classroom this session.

More information about Google Classroom will be shared at Pupil Progress Meetings at the end of February. If you have any questions about Google Classroom in the short term, please email the school or telephone the school office. Thank you.

East Plean Primary School Cross Country Team- January 2025

A huge well done to our Cross Country Team who participated in a Stirling Cross Country Event on Wednesday 29th January at Queen Victoria School in Dunblane. Each of our runners showed determination, commitment and excellent team work at the event. We are very proud of our young people for their participation and for representing our school and community so well.

Spotlight on... East Plean

The role of a Curriculum Ambassador is

- To be an excellent “learning” role model
- To guide and support other learners in their learning journey
- To create a positive, enthusiastic learning environment

Primary 7 learners complete training to be able to support learning in all classes across the school. This support provides opportunity for learners to practise and reinforce skills and concepts in a supportive and nurturing ethos.
