

Newton Primary School, Closure Contingency Learning Plan- Primary 1

Over the following period of time these activities offer your child the opportunity to enhance and practise the skills they have been developing in class as well undertake a variety of differing tasks of their choosing. They also give you an idea of the type of things you can perhaps task your child with should they complete all the tasks on this sheet. There are also relevant and appropriate web sites and apps which may be of help.

<u>Literacy</u>	<u>Numeracy</u>	<u>Context and Health and Wellbeing</u>
<p>Red Words Spot as many of your red words as you can in one of your favourite books. Keep practising your red words with your flashcards.</p> 	<p>Number Bonds Practise your number bonds to 10 to encourage speedy recall. 1+9, 2+8, 3+7, 4+6, 5+5 Ask an adult to test you.</p>	<p>Self organisation How fast can you get dressed in the morning? Ask your parents to time you. Pay particular attention to zips and buttons. For a challenge, learn to tie shoelaces.</p> 
<p>Letter formation Practise writing your letters using: Play dough, Shaving foam, Paintbrush and water, Chalks etc.</p> 	<p>Board Games Play a board game using dice such as snakes and ladders. Ideas-</p> <ul style="list-style-type: none"> ○ Say the number you land on. ○ Use 2 dice and add the numbers together ○ double the number on one dice 	<p>Mindfulness Show your parents some of our new Mindfulness activities for feeling calm and relaxed such as starfish breathing and me-massage.</p> 
<p>Writing CVC/green words Use 'Fred talk' to sound out and write some CVC/green words. Try and write some simple sentences.</p>	<p>Telling Time Practise saying the days of the week and months of the year in order.</p>  <p>Spot all the clocks in your house both digital and analogue. Draw one of the clocks you found.</p>	<p>Castle Model Build a model of a castle- you could use Lego, building blocks or even junk from your recycling box. Try to make it as safe as possible with a drawbridge, portcullis, a moat, a keep and battlements.</p> 

<p>Story Telling Retell one of your favourite stories. You could make puppets to use, use cuddly toys or even perform the story with siblings.</p> 	<p>Number Formation/Number hunt Practise writing your numbers 1-20 in foam, playdough, outside in chalk, using pens and pencils etc. Go for a Number Hunt in your house and write down all the numbers you can find.</p>	<p>Yoga Show your family how to do Cosmic Kids Yoga. Ask them to join in. www.cosmickids.com</p> 
<p>Story time Read a story every day. Ask your parents to read to you or perhaps you might read to a sibling or even your teddies.</p> 	<p>Number Songs Sing your favourite number songs such as 10 green bottles or Five little speckled frogs. Ask your parent to teach you their favourite Number Song.</p>	<p>Be Active Do Star Jumps-how many can you do in one minute? You could even create your own exercise routine for your family to do. You could complete a Joe Wicks HIIT workout on YouTube. https://www.youtube.com/watch?v=d3LPrhIOv-w</p>
<p>Draw a picture Draw an illustration for your favourite story book.</p>	<p>Subtraction Practise taking away using concrete materials. E.g. 10 spoons take away 3 spoons, how many are left? Play schools-ask your parents to write some take away sums for you to answer.</p>	<p>Spring Spot signs of Spring in your garden. Make a Spring picture using supplies you have at home.</p>
