

Newton Primary School
Closure Contingency Learning Plan – Primary 6

Over the following period of time these activities offer your child the opportunity to enhance and practise the skills they have been developing in class as well undertake a variety of differing tasks of their choosing. They also give you an idea of the type of things you can perhaps task your child with should they complete all the tasks on this sheet. There are also relevant and appropriate web sites and apps which may be of help.

<p style="text-align: center;">Fractions</p> <p>Ask an adult to write out 10 questions to work on fractions of an amount. For example $\frac{1}{2}$ of 30, $\frac{3}{4}$ of 20</p> <p><u>Extension:</u> Convert fractions to decimals and percentages</p> <p>https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals</p>	<p style="text-align: center;">Addition, Subtraction, Multiplication & Division</p> <p>Practice each of the four operations - write your own questions. You could do one operation per day.</p> <p>Log On to Sumdog: https://www.sumdog.com/user/sign_in</p> <p>https://www.transum.org/Software/</p> <p>https://www.topmarks.co.uk/ - search operations</p>	<p style="text-align: center;">Measurement</p> <p>In your house practice your measurements and calculations including length, perimeter, area, capacity, volume, weight.</p> <p>You could draw a plan of your house/garden, make something in your kitchen or weigh different objects.</p> <p>You could even make a recipe for your family: https://www.bbcgoodfood.com/recipes/collection/family-meal</p>
<p style="text-align: center;">Reading</p> <p>Read for 20 minutes per day. This can be any form of text – for example book, magazine, website.</p> <p>Extension – record your reading and create a book report.</p> <p>How many books can you read whilst you are off school?</p>	<p style="text-align: center;">Research</p> <p>Research a mathematician who has had a significant impact in the world. For example Alan Turing, Pythagoras, Hypatia of Alexandria, Florence Nightingale, Fibonacci and Ada Lovelace.</p> <p>https://nrich.maths.org/famous-mathematicians</p>	<p style="text-align: center;">Writing</p> <p>Create your own book including front cover, illustrations, blurb, dedication and about the author.</p> <p>Extension – have someone at home create a book review.</p>
<p style="text-align: center;">Spelling</p> <p>Use Nesy or your Spelling Grid to practice your spelling words. You can also revise words and rules you have covered in P6.</p> <p>Spelling Grid can be found on Google Drive Nesy: https://www.nesy.com/uk/</p>	<p style="text-align: center;">News</p> <p>Ask an adult to choose an appropriate articles for you to read or watch and then write down 10 facts and/or opinions.</p> <p>You could create a mind map, write bullet points or just make notes.</p> <p>Discuss with the adult your thoughts on the topic.</p>	<p style="text-align: center;">Play Teacher</p> <p>Teach someone in your family a new skill, this could be from maths, literacy, Health and Wellbeing or context.</p> <p>You could create a presentation with the learning and then an activity for them to complete</p>

<p style="text-align: center;">Research</p> <p>Create a presentation, in a format you choose, of something that interests you or that you want to find out more about.</p> <p>For example animals, sports, food, a current or previous context or a science topic.</p> <p>You may wish you create a poster, PowerPoint or Google Sheets document</p>	<p style="text-align: center;">Mindfulness</p> <p>Complete one or more of these activities daily: https://www.youtube.com/watch?v=shR8DLyOkcg</p> <p style="text-align: center;">Body Scan - https://www.youtube.com/watch?v=ihwcv_ofuME</p> <p>Design and complete your own mindfulness colouring.</p> <p style="text-align: center;">Cosmic Kids Yoga - https://www.youtube.com/user/CosmickidsYoga</p>	<p style="text-align: center;">PE</p> <p>Increase your heart rate for 20 minutes a day.</p> <p>For example:</p> <ul style="list-style-type: none"> • Joe Wicks https://www.youtube.com/playlist?list=PLyCLoPd4VxBuxu3sLztrvWFehzv-LnR2c • Just Dance • Make up a circuit for you and your family • Go a run <p><u>Extension</u>: Record your heart rate at the beginning and the end of your activity?</p>
<p style="text-align: center;">Family Time</p> <p>Play a board game with your family.</p> <p>Extension – create your own board game with rules, counters, a board, questions etc.</p>	<p style="text-align: center;">Art</p> <p>Make a model of a sculpture that could sit in the middle of the roundabout by the Golden Postbox.</p> <p>Explain what your sculpture represents, what materials it would be made and why your sculpture should be selected.</p>	<p style="text-align: center;">Art</p> <p>Create a zentangle artwork.</p> <p>This could be any shape of your choosing. Think back to when we made our sentangle deer the different patterns you included.</p> <p style="text-align: center;">https://zentangle.com/</p>
<p style="text-align: center;">Word Search or Crossword</p> <p>Create a word search or crossword using key vocabulary from your topic.</p> <p>http://puzzlemaker.discoveryeducation.com/WordSearchSetupForm.asp</p>	<p style="text-align: center;">Learning Context - Titanic</p> <p>Create an end of topic quiz for your class. It should have at least 20 questions, it can include true and false options and questions that have multiple options.</p> <p>Could you sign up and make a Kahoot? https://create.kahoot.it/login</p>	<p style="text-align: center;">Learning Context – Titanic</p> <p>Select a <u>second</u> option from the Titanic Homework Grid on Goggle Classroom.</p> <p>What research could you do at home to find out different facts about the Titanic’s journey or passengers?</p> <p><u>Extension</u>: Share your second task via Google Drive with your teacher.</p>
