

Newton Primary School Closure Contingency Learning Plan - Primary 6 April 2020

Over the following period of time these activities offer your child the opportunity to enhance and practise the skills they have been developing in class as well undertake a variety of differing tasks of their choosing. They also give you an idea of the type of things you can perhaps task your child with should they complete all the tasks on this sheet.

There are also relevant and appropriate websites and apps which may be of help.

Data Analysis

Gather data from family members in your own home. Or you may even facetime or video call your friends/ family.

Using this data make a bar chart in your jotter.

Remember to use a ruler and think about your scale.

Ext: Use excel or google sheets and make a bar chart, pie chart or even a line graph.

You can find additional worksheets and resources on:

<https://www.math-aids.com/Graph/>

Addition, Subtraction, Multiplication & Division

Select a worksheet to complete from

https://www.math-aids.com/Word_Problems/

Login to Sumdog to complete weekly challenges, competitions and assessments.

https://www.sumdog.com/user/sign_in

Get a sibling to test you on your times tables.

Pick a table and time yourself. What is the fastest you can say the answers (e.g. 6, 12, 18, 24, 30, 36...)

Measure

Can you use google maps to work out the distances between Dunblane and 5 other villages, towns or cities in the UK.

1. How many miles apart are they?
 2. How long would it take for you to travel there?
- <https://www.google.com/maps/dir///@56.2934479,-3.708042,14z/data=!4m2!4m1!3e0>

Ext: Can you work out the distance from Dunblane to a city of your choosing around the World.

1. How many miles away is it?
2. How far is this in m a
3. How far is this in km?

Literacy

Sumdog Spelling and Reading

Please complete the **spelling and reading training** tasks on Sumdog.

You can find this under 'tasks' when you log in to Sumdog and complete the warm up.

You may find these questions very easy or very hard - don't worry. Completing this will allow Sumdog to target literacy games at the right level for you.

We are very lucky to have this access to Spelling and Reading for a short period of time, so please make the most of it!

Grammar

Fix My Sentence Powerpoint

https://drive.google.com/open?id=1JGqiZG6C8Zol0AxViP84H-a66_vnKOk39fV3R3rCwI0

Carefully read each sentence out loud - they are full of grammar, spelling and punctuation mistakes!

Write the sentences out correctly in your jotter. Use the answer slides to check your answers.

Writing

Play Scripts

View the following PowerPoint, to learn about the features of a play script.

<https://drive.google.com/open?id=1SQeRJ0cBJ1POCBbxvP307pWilVec97kqnNmtcQPb09c>

Write a script for your own play, using 4-6 characters, ensuring that you include the key features in your script, as outlined in the PowerPoint. It can be about anything you like.

Ext: Ask your family to follow the script to help you act out your play. You could even film it and share it with your class!

Reading for Enjoyment

Read for at least 20 minutes every day. This can be any form of text – a book, magazine, website, newspaper

Ext:

- 1- How many books can you read whilst you are off school? Keep a reading record record.
- 2-Record yourself reading focusing on expression and fluency.
- 3-Create a book report on a text you have recently read.

Relationships and Sexual Health Education

Lesson 1 - Love and Family

Use the following Powerpoint as a prompt to think about and discuss with your family what love is, how parents look after us and the different types of family.

https://drive.google.com/open?id=10Xa_HoB94xnHSUmXSd6VDeJa2swO3ypymdSR7mDWf48

PE

Increase your heart rate for 20 minutes every day.

- Joe Wicks workouts LIVE every morning at 9am <https://www.youtube.com/playlist?list=PLYCLOPd4VxBuXu3slztrvWFehzv-LnR2c>
- Create your own exercise video to share
- Create an outdoor circuit in your garden
- Challenge a friend to complete a set of exercises each day

Research

Research an individual who has made a famous discovery.

What did they discover? How did they discover it?
What facts can you find about their life?

Write a biography about this person or design a PowerPoint or Google Slides Presentation to share on Google Classroom.

Ext: What discovery do you think has made the largest impact on your life and why?

Reading/Listening

There are several websites where you can listen to audiobooks for free:

<https://www.worldofdavidwalliams.com/elevenses/>

<https://stories.audible.com/discovery>

worldbookonline.com/wb/...jsp

Developing Young Workforce

Research a job that you would like to have or you think you would be good at.

What skills would you need? Why would you be good at that job? What hours would you work?

What jobs do you think will be around when you turn 18?
Create a poster advertising your dream job either on google or in your jotter.

Family Time

Watch a film with the family.

Can you each think of an alternative ending to the film you just watched?

Discuss your endings. Which ending was the best fit or most realistic?

Ext: Review the film. Think about favourite and least favourite characters, best scene and why, setting and then rate it. Would you recommend this film?

Digital Learning

Use this tutorial from Google Education to create your own Google Doodle!

Watch the video and follow the instructions carefully:
<https://csfirst.withgoogle.com/c/cs-first/en/create-your-own-google-logo/create-your-own-google-logo/create-your-own-google-logo.html>

Be creative and make it personal to you.

Learning Context

TOPIC LAUNCH - Healthy Heroes

Watch "Wall-E Dystopia" clip:

<https://www.youtube.com/watch?v=h1BQPv-iCkU>

Think about the things that the people on this planet are doing/not doing and the potential impact this is having on their health.

What you could do as a superhero to help people on the space ship be healthier?

Create a 'Healthy Hero':

- Draw a design of the character
- Think of a relevant name
- Write a speech bubble with the advice your hero gives.
- Label the character with any 'powers' they possess

Learning Context - Healthy Heroes

Healthy Eating

Use the following links to learn about the 'Eatwell Guide' and the 5 main food groups:

- <https://www.nhs.uk/live-well/eat-well/the-eatwell-guide/>
- https://www.foodstandards.gov.scot/downloads/Eatwell_Guide_Booklet_new.pdf

After learning about each group, use this game to test your knowledge by dragging and dropping the foods into the correct group: <http://fss-eatwellguide.scot/#>

Art

Draw and colour your own 'Eatwell Guide'.

It must include:

- The 5 main food groups in the correct proportions
- Drawings/images of foods that belong to each group
- Labels to explain what each group provides to help the body
- Labels to explain how much is recommended to eat in a day.

Learning Context - Healthy Heroes

Healthy Eating

Keep a food diary for a day, writing down everything you have to eat and drink from morning to bedtime.

Using your new knowledge of the Eatwell Guide, write down the food group that each of your meals/snacks belongs to (some of your meals may include ingredients from more than one food group.)

e.g. Breakfast - Porridge with Banana

Porridge - Carbohydrates

Milk - Dairy

Banana - Fruit and Vegetables

Look at what you have eaten throughout your day and compare this to the Eatwell Guide. You may wish to list your foods in groups, to help you see how much of each you have eaten. Use the following questions to help you reflect and discuss with your family:

- Have you eaten enough of each food group?
- Which food group have you not eaten enough of?
- Is there a food group that you have eaten more than you should?
- Have you had enough water?
- What could you have done differently to improve?

Health and Wellbeing/Writing/Art

P6 Buddy Preparations

On your return to school you will be allocated a nursery buddy that you will help to support during their transition into P1 after the summer holidays.

To introduce yourself to your buddy, create a fact file on 1 A4 page full of information all about you.

You can design this however you like, it can be made digitally or on paper.

- Include your name
- Include a picture of yourself (we can print this at school if you are unable to - leave a space)
- Include information about yourself that you think a nursery child would be interested to know (think about the questions you would ask to get to know them to help - e.g. favourite food etc) *Don't include personal information, such as your address or phone number.*
- Make it as colourful and visual as you can, including drawings or pictures to support your words.

This will be laminated on your return to school so that your nursery buddy can take it home over the summer holidays to share with their family and remember you when they start school in August.
