Transition Update – 18th June 2020

Dear Parents & Carers,

We understand there has been much coverage of Education, Blended Learning and schools returning in August from the media this week and the messages are confusing and contradicting for all of us. We continue to await an agreed model from Stirling Council and we trust that when this comes it will be to ensure equity and best possible opportunities for our children at this time, given our circumstances. As soon as we have any further information on this model we will communicate it fully with you. We understand this is an anxious and often frustrating time and we thank you for your patience and understanding.

We hope you have had a chance to access our Transition Hub to see our virtual tour and have a look at some of the activities available for you and your child, including our Virtual Teddy Bear Hunt. If you look carefully enough while out on your daily walks you should now begin to see teddy bears appearing in windows!

I am delighted to be able to send you today, our Play in P1 Infographic, alongside the Buddy Question and Answer document created by our new P7 buddies. Furthermore, our current Primary One children have been working hard to create a video for our new P1 children, therefore I'm also delighted to share the 'Advice to P1' video. You can access this via the Transition Hub or view it [here](#).

Our new Primary 1 teachers, Miss Kemp and Miss Johnstone will share a welcome video on the Transition Hub over the coming days. I will let you know once this is live. Please also keep a look out at home for a delivery arriving for your child early next week!

As always, we are grateful for your support and understanding at this time. If you have any questions, please do not hesitate to be in touch.

Lyndsey-Anne Brown  
(Depute Headteacher)
