

## Football Club

The football club was a suggestion from Tyler and myself. We made a poster about the football club. P1-3 were on Monday and P4-7 were on Wednesday. We taught the P1-3 class quite a lot of skills. We did dribbling round the cones, shooting, free kicks, penalties and striking. P1-3 behaved pretty well. On the first Wednesday it was pouring with rain we didn't know if we were going to do it or not. The teachers said we could do it but if it started to rain heavily we would need to stay inside. Luckily it stopped raining and we got outside to do it there were a lot of people. We started off with a game of tig as a warm up and then we did penalties and I was the goalie. We also did dribbling around cones. At the end we had a little match and the yellow team won 3-2. Tyler and I enjoyed holding the club and hopefully we can do it again
