

Our Annual Christmas Fair

On December 7th we had our Christmas Fair and raised lots of money for our school fund. Each class had their own enterprise making different things. Class 1 made stained glass effect Christmas baubles, picture frames, snow globes and they baked cakes. Class 2 made Christmas cards, tree decorations, gingerbread men. We had a Santa's Grotto and served tea, coffee and juice. Lots of parents, grandparents and friends of the school came to buy our things. We raised a lot of money for our funds.
