

IDEAS FOR 8-10 YEAR OLDS

Read the same book as your child and look for opportunities to chat about it

Visit the library / book shop /online book shop together

Look for books based on movies and computer games

Encourage your child to read what they enjoy. Magazines, comics, adventure stories.

Try some quick reads. Try some audio books.

Be patient. Remember that the right book is out there.

Let them see you reading

Encourage your child to visit author and publisher websites
