1. Bank Balance.....£1063
2. Committee for 2012/13
 - Chair Lynn Cotterell,
 - Vice Chair Jackie Gordon,
 - Secretary Julie Macmillan,
 - Treasurer Lyn Macmillan

Upcoming Events

3. Macmillan Coffee Morning 28/09/12, thought this would be an idea to have parents along and give them some more information with regards to Soc-It and helping out/volunteering. This is a Friday morning and we were unsure of what sort of response this may get.....this has still to be cleared by Mr McDermott though.
4. Dress Down Day 12/10/12, this would be the re-arranged date for the dress-down day we were supposed to have in June which unfortunately clashed with the Unicef day. Instead of a silver penny donation we would ask for donation of Tombola prizes for other events(one per family if more than one child in the school).....this has once again to be cleared by Mr McDermott.
5. Hallowe'en Event.....it has been decided not to hold the event that we have in the past few years given the fact that it is very close to the Christmas Fayre. Julie has spoken to Mrs Loosemore with regards to this and she seems to think this will be fine and children will still be given the opportunity to do things within their own classes.
6. Christmas Fayre.....this will have a different feel to it this year and things that we normally have may need be re-thought, the cake stall may be hi-jacked by the children as part of their enterprise ;-) so get the thinking caps on.
7. Family Portraits.....Soc-It received a fundraising event invitation from a company and for every family portrait taken and purchased, Soc-It will receive Â£7 towards their funds. Lyn Mac currently looking into this for further info and dates/times - possibly to be held in the community centre in an evening/weekend in November to allow purchase for Christmas.

8. Race Night.....this is normally held in February/March. The possibility of this being changed to a family fun night in the community centre has been raised, this may allow more families to attend as they can bring along the children. To be discussed further at a later date.
9. Cooking Bus....after the success of the cooking bus last year, Soc-It are hoping to help the school book this for Springtime, allowing more of our children the opportunity to go along and experience it. Jackie Gordon is going to look into this further.

NO DATE SET FOR NEXT MEETING YET.
