Can you think of a word starting with each sound?               <p>(See the Sway Presentation posted on the school blog)</p> <p>Ask a grown up to use the letters to make a word e.g. cat, tin etc. Say each sound then blend the sounds together to read the word. You may need a grown up to help you with this at this point. How many words can you read?</p> </li> <li>Whilst reading books with a grown up, look out for these common sight words: 'a', 'the', 'is', 'I'. Can you spot them in your books? If you can read these words confidently already, what other words can you recognise in your books?</li> </ul>	<ul style="list-style-type: none"> <li>We have been learning about leaves changing colour in Autumn. We have started to learn about different types of trees and the shapes of their leaves. Look out for different leaves when you are outside. Use the Autumn Leaf Hunt Checklist to help you identify the leaves.</li> <li>Play Emotion Charades with a partner.
