

Bankton Nursery Newsletter

Sept 2017

Outdoor Learning - This month we are ...

- Exploring the nursery outside area.
- Learning about where some food comes from by looking at our fruit trees, picking and tasting the fruit.
- Looking at the changes in Autumn in the local environment.
- Learning to stay safe when out in our local environment.

Literacy - This month we will be...

- Learning to take turns and to listen to others.
- Talking about our experiences and sharing stories from home.
- Listening to stories and talking about what happened them.
- Practising lots of nursery rhymes.

Numeracy - This month we will be ...

- Learning to sort by colour, size, shape and other criteria.
- Practising counting forwards to and backwards from 10.
- Practising saying the days of the week in order.

Reminders

Please bring children to nursery in shoes they can put on themselves as we encourage independence in changing for outside play. Laces make this challenging for your child!

Please put gym shoes in to your child's peg bag at the end of each session and store any backpacks on the shelves at the door.

Settling In

We are delighted that all of our new staff and children have settled in so well. Everyone is enjoying playing in nursery and most children are now settled into the routine of group time and are enjoying stories and games with their key worker.

Our returning children have settled very well and are proving to be kind and supportive friends for our new children.

Some of our returning children now have a new key worker. Please see our key worker display in the entrance hall and don't hesitate to ask a member of staff if you have any questions.

Dairy Dates

Mon 15th - pre-school vision screening

Mon 18th & Tues 19th - Holiday

Wed 27th & Thurs 28th - fluoride varnishing

Online Learning Journals

Everyone should now be set up on our Online Learning Journals. If you have not received an email or are having difficulty logging in please let us know.
