Daily Mile

Numeracy Task 1

Friday 27th March

Raid your piggy banks for different pennies. How many different ways can you make 10p? Record each way inside your 'School Closure Jotter'. Why not challenge yourself and see if you can do the same for 20p.

Numeracy Task 2

Inside your pack you will find a 'Money' workbook. Please complete page 2 and 3. Remember to write your numbers the right way around and always put a 'p' on the end when writing about money.

Play

Time to really get that Friday feeling going now! You have all worked so hard this week at home. You deserve this play time! I just wish I was there to play with you guys!

Daily Mile

At school we walk a mile most days (sometimes we cheat and we scoot instead). Why not go for a nice walk before lunch time?
