Numeracy Task 1

Tuesday 12th May

P1 pupils listen to the 'Counting down from 20 Song'. Can you join in? <https://www.youtube.com/watch?v=fS60rraBhz4>

P3 and P7 pupils listen to 'Backwards from 100' song. Copy all the movements and shout out the numbers as you count down!

Numeracy Task 2

Look at the examples of Backward Number Tracks. In your jotter I want you to create your very own. You could make a caterpillar, rocket, ladder or you could create your very own. Use your imagination and be as creative with it as you can! P1 pupils, your number track will be from 20 to 0. P3 and P7 pupils, your number track will be from 100 to 0. I cannot wait to see what you make!
