

P3 Book 1 Baby Brains

Noun	Verb	Adjective	Definition
		local	If something is local it means it is near where you live.
		popular	If something is popular it means it is enjoyed or liked by a lot of people.
		vast	Vast means extremely large and very, very big. It is a good word for describing things like the size of a place like a park or the sea for example.
	mumble		If you mumble you speak quietly and not clearly so people find it hard to understand.
	repeat		If you repeat something you say it or do it again.
occasion			An occasion is a time when something special happens. It can be an important event or a celebration.
