Three Billy Goats Gruff

alberta SPEECHIE

SEQUENCING & STORY GRAMMAR

Welcome to "Sequencing and Story Mapping" This product was designed to help children's story comprehension, sequencing, story retell skills and being able to answer questions. This activity works great as a one-to-one activity or as a small group activity.

TO MAKE: Print stories on cardstock. Cut story pages along the dotted line. Laminate the pages for greater durability. and bind into a book. For the activity sheets just print off and go.

TO COMPLETE: Read the story to the children. Choose and appropriate activity and print off the sheets. Complete the sheets with your child.

IF YOU LIKE THIS FREEBIE TRY

Three Billy Goats Gruff

Adaptation by
Alberta Speechie
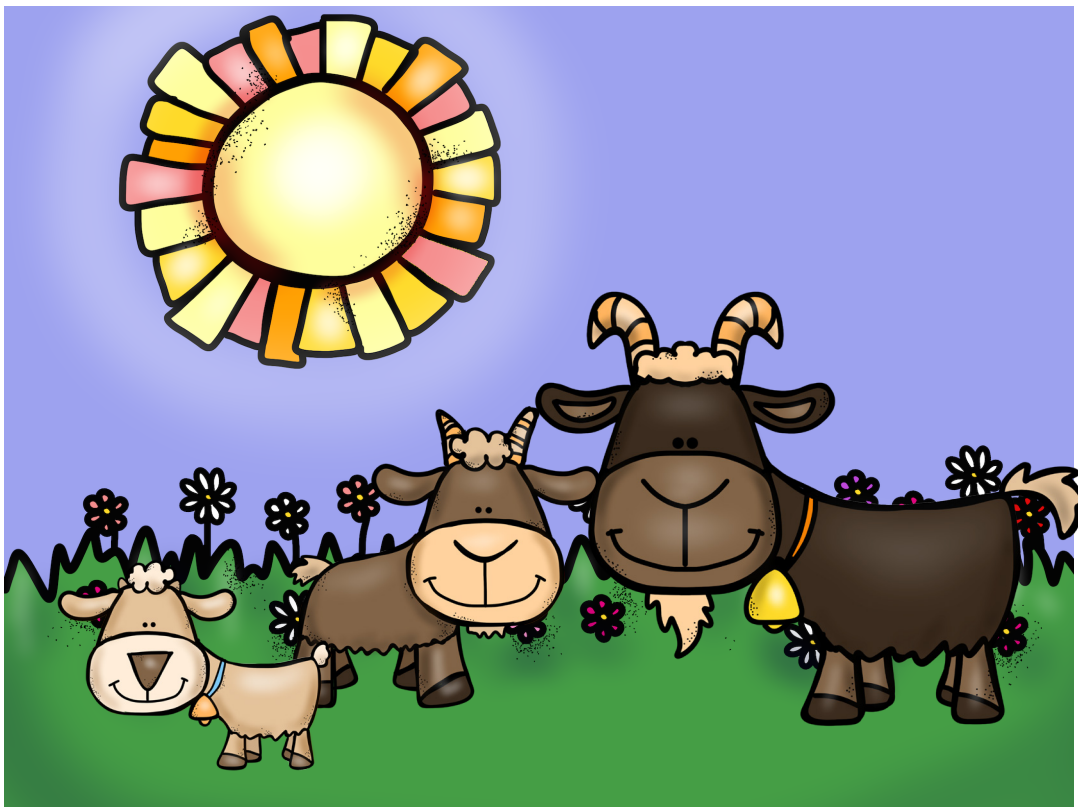

One day three goats were eating grass.
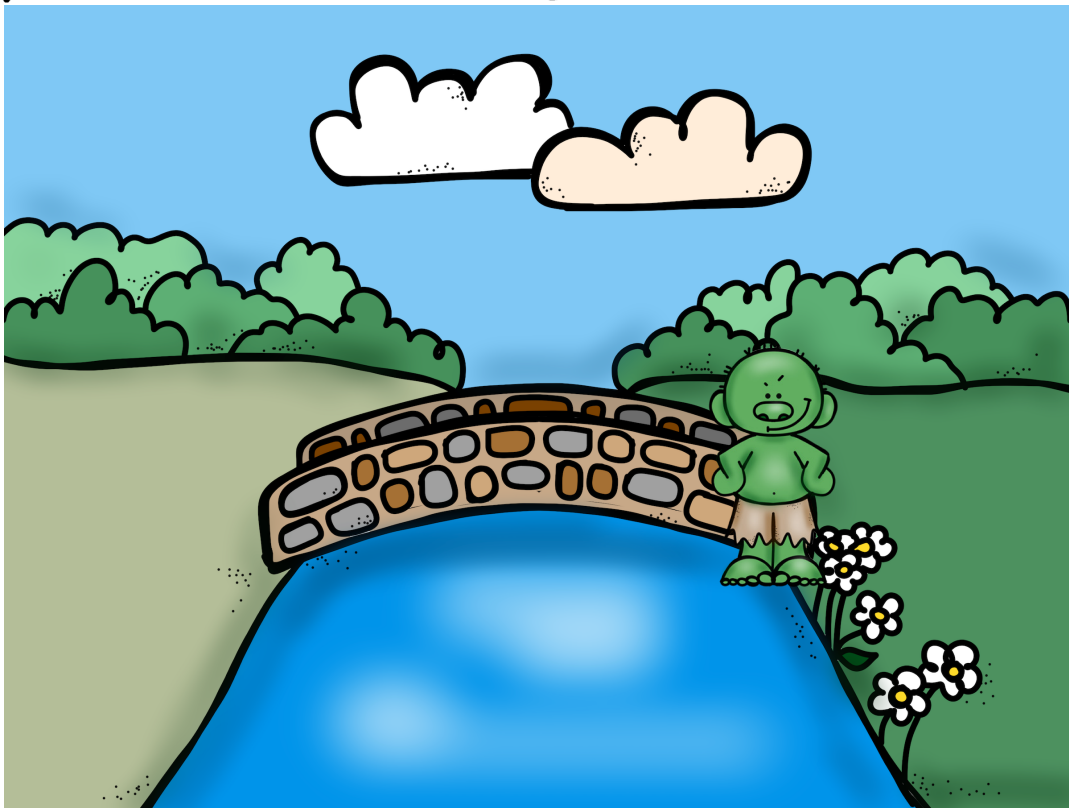

The goats wanted to eat grass across the bridge but there was a troll living under the bridge.
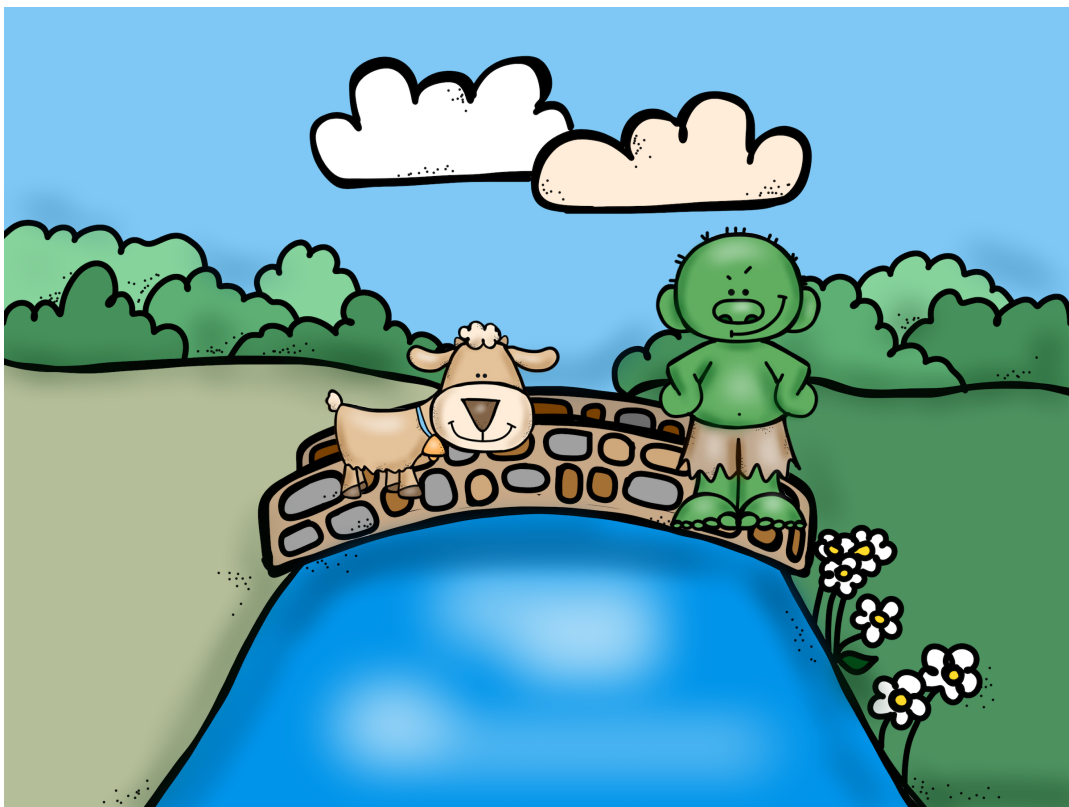

The littlest goat tried to go across the bridge. The troll stopped him and said, "I'm going to eat you!"

The little goat said, "Don't eat me. I'm small. Eat my brother. He's bigger."

The little goat crossed the river.

The medium goat wanted to cross the river. The troll stopped him and said, "I'm going to eat you!"

The medium goat said, "Don't eat me. I'm small. Eat my brother. He's bigger."
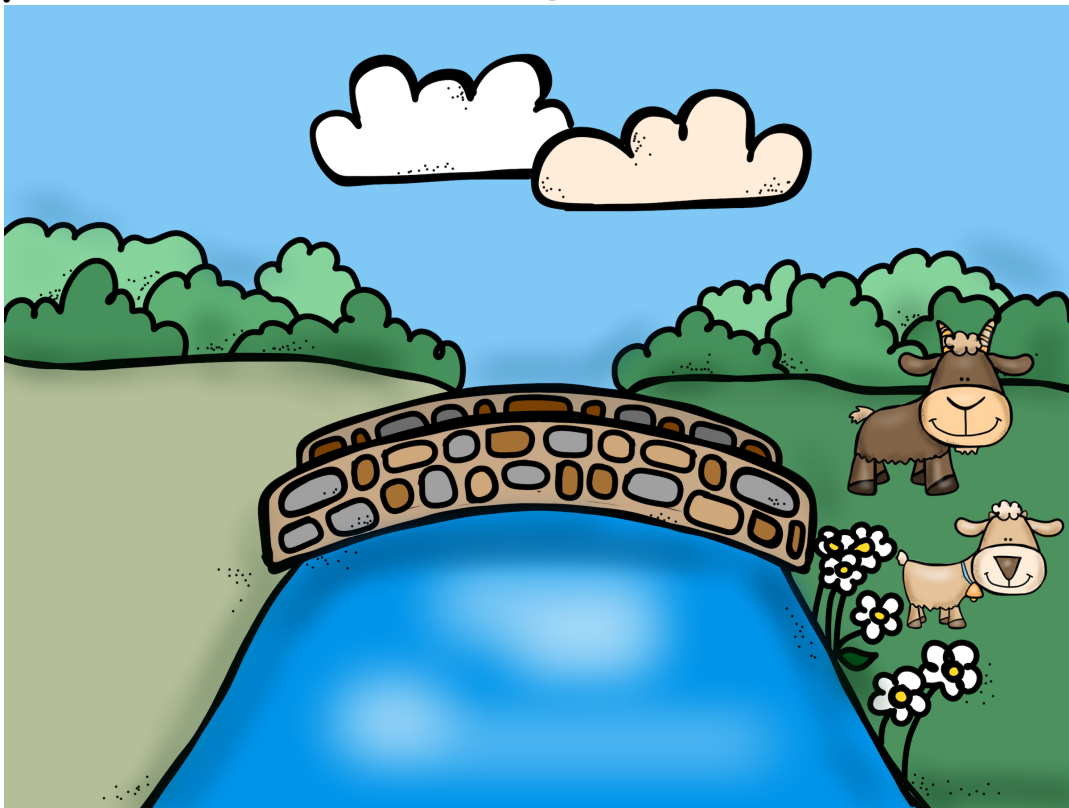

The medium goat crossed the bridge.

The biggest goat tried to go across the bridge. The troll stopped him and said, "I'm going to eat you!"

The biggest goat said, "No you won't!"

The goat pushed the troll into the water and crossed the bridge. They never saw the troll again.

The end!

Three Billy Goats Gruff: Story Map

Name: _____
