

Monday 8th February 2021 Learning

Big Task:

This will be explained in more detail at the morning Check In at 9:15

Data Collection – you have **two** tasks to choose from, although you can complete both:

- Ask 100 people what makes them happy and what makes them sad and record all answers
- Create a data map of your village and show the parts that make you sad

Spelling:

Write out your words **three** times in any way you choose (rainbow, pyramid, fancy writing, bubble writing, etc). Find each of your words in a dictionary (you can find online dictionaries if you don't have a paper copy of one) and write down the definition.
