

Tuesday 9th February 2021 Learning

Big Task:

Continuation from yesterday – it must be completed and handed in by 9am tomorrow (Wednesday 10th February)

Data Collection – you have **two** tasks to choose from, although you can complete both:

- Ask 100 people what makes them happy and what makes them sad and record all answers
- Create a data map of your village and show the parts that make you sad

Literacy:

1. Write a paragraph that contains your spelling words (at least 6 words).
2. Complete **one** comprehension activity on <https://readtheory.org/auth/login> - if you have not logged in you will find your log in details in your Glow email account and you have to complete a mini assessment before your first Comprehension task. I can check your progress on here and see who has completed and who has still to log in.

Numeracy:

Use the Powerpoint from yesterday as a recap on the learning concept – Greater than and Less than. Complete **one** of the worksheets (Mild ,Spicy or Hot) but feel free to try more than one if you are up for the challenge.

Daily Rigour task:

9 Today is National
Pizza day! How
many slices
would 5 of
these pizzas
have in total?

STEM:

Don't forget to come along at 1:30 for your STEM lesson part 2
