BETTER TOGETHER FESTIVAL

WHY?

To cheer everyone up!

What will cheer people up?

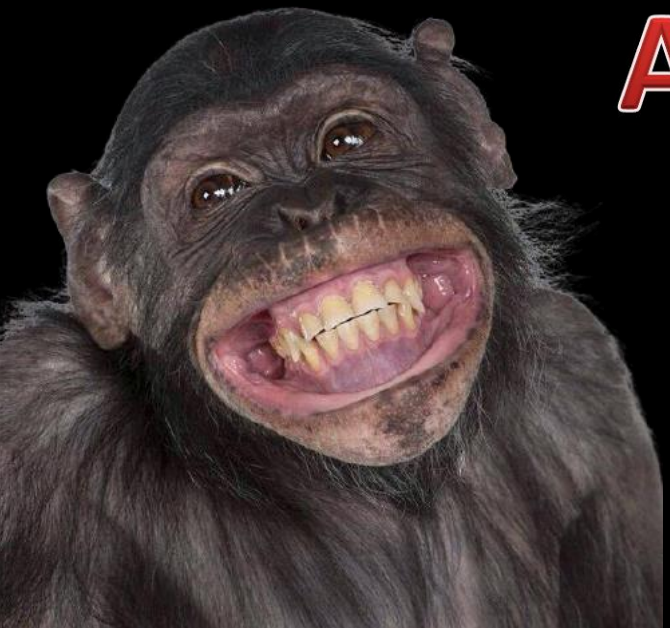
WHAT?

BETTER TOGETHER FESTIVAL

To find a solution we need to fully understand the problem!

WE NEED TO KNOW…

What makes people happy



AND

what makes people sad

BETTER TOGETHER FESTIVAL

It's time to gather data...

You have <u>two</u> tasks to choose from*

*You can complete both if you like

BETTER TOGETHER FESTIVAL

Task 1

Ask 100 people what makes them happy **and** what makes them sad. Record **all** answers.

Things to consider:
How will you record their answers? How will you keep track of so many responses?
Who will you ask? Will you ask adults, children, both?

BETTER TOGETHER FESTIVAL

Task 2

Create a data map of your village. Show the parts of your community that make you sad.

Things to consider:
What type of map will you use/create? How will you gather the data?
Will you take photographs or videos of each location?
Will you complete sketches or record audio?
How will you add your data to your map?

BETTER TOGETHER FESTIVAL
