

Primary 3 Working from Home

Please see the activities below to see the learning planned over the next two weeks. Some of these tasks can be completed over and over again, therefore you do not have to tick them off.

Reading	Writing	Maths	Health and Well-being	Other curricular areas
Please continue to read your reading books.	Spelling: continue to practise your common words in the word wall at the front of your spelling homework book.	Practise the 2, 3, 4, 5, 6 and 10 times tables.	Wash hands using the steps we have practised.	ICT - Using GLOW create a power point illustrating your knowledge about Knights and Castles so far. (Use notes from Reading to help)
Write 5 true or false facts about your book for someone in your group to answer when we return.	Include your spelling words from previous weeks to make up short stories or small paragraphs.	Use the worksheets provided to practise multiplying one digit, 2 digit and 3 digit numbers. You choose your challenge.	Plan in your jotter a balanced, healthy lunch for your family. If you are allowed, prepare it for a family member.	RME - Paint a hard boiled egg in preparation for Easter. Use a symbol from the Easter story somewhere on your egg (a cross, palm leaf, egg shape)
Use your research skills to read about life in the medieval times from books or the internet.	Use your story cubes from your Read, Write, Count bag to come up with a story. Remember to describe your setting using your adjectives.	Please see timetable provided. Answer the related questions by reading the timetable.	Make up a dance to your favourite piece of music.	Topic - Use the following website to play the medieval game of draughts. If you are familiar with chess, play that as an alternative. www.draughts.github.io
Read a book from home for enjoyment.	Use your imagination to write a ghost story! We can tell them in our castle when we return to school.	Follow a recipe using your knowledge of weighing and measure.	Stay active, take part in at least 30 minutes of exercise a day.	French - Use the following website to practise your French language: https://www.bbc.co.uk/bitesize/subjects/zr8jmp3
Make up a dictionary using interesting or tricky words from your book. Try writing them in alphabetical order.	Use your research skills to write yourself some notes. Use your notes to add to the power point (<i>See other areas*</i>)	Use the following string to show your strategies: $60 + 3$ $8 + 4 + 18$ $58 + 2 + 1$ $18 + 4 + 18$ $58 + 3$ $28 + 5 + 27$ $58 + 26$ $24 + 3 + 48$	Using the blank map provided, plot where the food in your fridge comes from. Some things may be from the other side of the world!	Science - Using junk from home, see whether you can create a catapult that works better than the ones we made in class. Practise using forces to change the projection.
Use Education City to practise your Literacy Skills. Search using First Level filters.	Practise using your linked handwriting letters.	Use Education City to practise your Numeracy Skills. Search using First Level filters.	Play https://www.foodstandards.gov.scot/education-resources/cookin-castle	Art - Create a family coat of arms. Be able to explain your choice of colours and emblem.

Multiplication 2 digits by 1 digit

1.	23	2.	14	3.	11	4.	22
	x 3		x 2		X 5		x 4
	_____		_____		_____		_____
	_____		_____		_____		_____

Multiplication 3 digits by 1 digit

1.	230	2.	144	3.	111
	x 3		x 2		X 5
	_____		_____		_____
	_____		_____		_____

4.		5.		6.		7.	
	42		12		10		21
	X 2		X 4		X 3		X 5
	_____		_____		_____		_____
	_____		_____		_____		_____

Multiplication 1 digit by 1 digit

1.	3	2.	4	3.	1	4.	2
	x 3		x 2		X 5		x 4
	_____		_____		_____		_____
	_____		_____		_____		_____
