French

Bonjour Primary 1! This week we are going to learn all about the weather in French. Can you practise asking what the weather is like? Can you say:

Quel temps fait-il?
(What is the weather like?)

Then try some responses:

- Il fait beau** (It is nice)
- Il fait froid** (it is cold)
- Il fait gris** (it is grey)
- Il pleut** (it's raining)
- Il neige** (it's snowing)

Here is a great French weather song to help you with some of the pronunciations: <https://www.youtube.com/watch?v=vVQUR94lbaY0>

Have a look at the weather across the UK today. Can you create your own weather report? Maybe you could make a map of the country and talk about what the weather looks like in different places? We would love to see you doing this on the Learning Journals!

Health and Wellbeing

Using food you already have in the house (please don't feel like you need to go out and buy anything new!) prepare a 'tasting session'. Taste some food and see if you can organise the food into 4 different categories (sweet, salty, bitter and sour).

For example grapes (sweet), lemon (sour), crisps (salty) and dark chocolate (bitter).

Science

Talk to an adult about all of the things in your house that use electricity. Can you spot all of the different electrical appliances around the house in each room?

Play the interactive activity to see if you can draw a circle around all of the electrical appliances in the house and where they go : http://resources.hwb.wales.gov.uk/VTC_using_electricity/eng/Introduction/default.htm

Imagine if you did not have any electricity at home. What would you miss the most? Write a sentence about what you would miss most and why. Draw a detailed picture and remember to make it colourful!

Social Studies

This Friday is a special day as it is the 75th anniversary of the end of world war 2. We call this day 'VE day' which stands for Victory in Europe. We celebrate this day every year as it marks the end of a long war around the world. At the end of the war in 1945 people across the country put up flags, banners and there were streamers everywhere. There were parties, fireworks, and some people wore red, white and blue rosettes. People hugged, sang songs and danced. It was a very happy time!

Can you host a VE day tea party for some of your toys? You could use teddy bears, dolls or action figures. Maybe you could even create your own UK banners or bunting for the occasion. You could wear red, white or blue and dress up some of your toys!

Perhaps you could even make your own rosette too? Get creative!
