

## Phonics

Our new sound is 'ck' Can you say it?  
Watch this video to find some words containing the sound:

<https://www.youtube.com/watch?v=vIEN5AbHWak>

How many words did you spot? Try to make some of the words using your letter cards?

'ck' comes at the end or the middle of a word. One of my favourite 'ck' words is **chicken**. Can you draw or make a chick? Decorate your masterpiece by writing 'ck' on the wings. I can't wait to see your finished products on the Learning Journals! Here are a few different chick crafts to get you started

## Reading

Go to <https://www.oxfordowl.co.uk>

Then click on 'My class login' at the top of the page. Enter your teachers name and the password: Carmondean1

We will send out an email through the Learning Journals this week with the book we would like you to read and a few questions you can ask whilst reading.

When you are finished, give the book a score out of 5 and explain why you liked it or didn't like it.

## Phonics

Complete the attached blending worksheet. I have made 3 sheet of differing difficulty. Ask your child to choose the level of challenge they want.

If you don't have access to a printer you could make your own worksheet. Ask the children to write the words **sack, clock, lick** and **check** and draw a picture to show what each word means.

If you want an online game, **space adventure** is a great one:

<https://go.educationcity.com/content/index/1135/3/1/1/null/null/false/false/null/0>

## Literacy

### Common words

This week our common words are: **make, like** and **made**.

Try to think of sentences with these words in them? For example: *I like to make cakes. I made a yummy chocolate cake with chocolate chips!*

The play the 'roll and read' game attached to the blog post. Roll a dice (Either one you have at home or you could use

<https://www.online-stopwatch.com/chance-games/roll-a-dice/>!) and read the word beside that value.

## Writing

The dragon came last night to my house and told me that Fairyland is nearly rebuilt. Well done boys and girls! The rebuilding has gone so well that there is extra space in the land with no-one living there! Can you help? Make up your own Fairytale character. It could be a prince, princess, animal, dragon etc...

Write a story about your character. This is a Fairy tale so should start with 'Once upon a time...' and finish with 'They lived happily ever after.'

Write the story in 3 sections. Firstly, draw a picture of your character in the place they live. Then write underneath what happens at the start of the story.

Then move onto the middle section. Draw a picture first, talk about what happens and then write. Repeat for the end.

Remember capital letters, full stops, finger spaces and to sound out each word as best you can.

It might be a good idea to complete this writing over a number of days E.g.

Day 1- choose a character and draw a picture of them.

Day 2- Draw and write the beginning

Day 3- Draw and write the middle

Day 4- Draw and write the end and self assess using core target sheet.
