Self Assessment

Using a green and pink pen, highlight whether you met the core targets this week in your writing.

If you think you managed the target, highlight it **green** and if you forgot then highlight it **pink**.

The children do this every week in class so should be familiar with the targets and able to self assess their work independently. Encourage your child to look through their work to check that they have done each thing before they highlight!

 <p>Write using simple sentences.</p>	 <p>Join sentences with connectives.</p>	ABC Start sentences with capital letters..	● Finish sentences with a full stop.	 <p>Spell simple CVC words correctly.</p>	 <p>Spell some common words correctly.</p>
