

# Week Beginning 18.5.20

## Learning Across the Curriculum

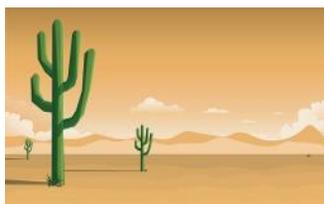

Choose 1 activity each day. Tick when completed.

### Social Studies

Miss Pringle has recorded an audio powerpoint introducing deserts.

Watch the powerpoint and make some notes on what you remember from the powerpoint.

Remember, notes do not need to be full sentences, just little phrases to remind yourself of the information!

### Social Studies

Use the following link to find out more information on deserts then answer the questions below.

Remember to answer in sentences and use your capital letters and full stops!

<https://www.dkfindout.com/uk/earth/deserts/>

1. How much rainfall do deserts get in a year?
2. Where is the driest place on earth?
3. What features do plants need to survive in the desert?
4. What is a sand dune?
5. What is an oasis?

### Health/Literacy

You might have seen some new lambs on your walks and may have noticed them feeding from their mother.

This week we are going to look at animals feeding their young. Type 'Safari Diaries: Milk for Mammals' into YouTube and answer the following questions:

1. What is the name for the group of animals who provide milk for their young?
2. Use a search engine to find out how the following animals feed their young:

Flamingos  
Penguins  
Pigeons

### French

Let's revise weather related phrases in French:

<https://www.youtube.com/watch?v=eBvJVOuBPXI>

Could you keep a weather diary for this week? Write the day of the week in French and a phrase from below to describe the weather.

Il fait du soleil: *It is sunny*  
 Il fait tres chaud: *It is very hot*  
 Il fait du vent: *It is windy*  
 Il pleut: *It is raining*  
 Il fait tres froid: *It is very cold*  
 Il fait froid: *It is cold*  
 Il neige: *It is snowing*

### Music/Drama

In Music we often work on rhythm. Using YouTube type in 'Ram Sam Sam' and challenge your adults and siblings to this hand dance!

It gets very fast!

### Science

We are beginning to look at plants and how they depend on each other.

**Search for 'Interactive Plants eBook' on Twinkl and focus on section 1.**

On your daily walk look for a flowering plant and take a photo of it. Can you work with your adult to identify the following parts?

Petal  
Pollen  
Stigma  
Stem  
Anther  
Filament
