

## Common Words

Our common words for this week are **said**, **big** and **could**.

We would like you to use different materials to write these words with! You could put some flour (or something different you have at home) out on a surface and write these words in it with your finger. You could write the words with different coloured pencils to create rainbow writing or with chalk outside. You can choose how or where you write them, it's lots of fun!

## Reading

Go to <https://www.oxfordowl.co.uk>  
Then click on 'My class login' and enter your teachers name and the password: Carmondean1

We will send you an email through the Learning Journals this week with the book and comprehension questions we would like you to complete. Hope you enjoy reading your new book!

## Writing

We are learning about livestock farms this week so we thought you could write a description of one. A livestock farm is where we keep animals for food, milk and wool.

Watch this video clip where Barnaby Bear helps out on a livestock farm:  
<https://www.bbc.co.uk/programmes/p0113k28>

We would like you to write a sentence (or two!) describing what animals you would find on a livestock farm. For writing this week, try and add some 'wow' words to your sentences. 'wow' words are words that are exciting and make you think wow. So instead of using nice, you could use beautiful. Here is an example of what you might write:

*A livestock farm has chickens and they sometimes lay speckled eggs for the farmer. They also have adorable lambs that the farmer needs to feed.*

Can you find the 'wow' words I used in my sentences? We can't wait to read yours!

## Phonics

This week in phonics we are learning the sound, **ai**. You can watch this video clip:  
<https://www.youtube.com/watch?v=LnXaN-CvR9s>

The sound 'ai' sounds very similar to other letter combinations so this can be tricky. For example, it sounds like 'ay'. We use 'ai' in the middle of a word and often 'ay' at the end.

Can you find words with the sound 'ai' in them? Have a look around your house and through some of your books at home. See what 'ai' words you can find. Good luck!

ai

## Literacy

## Blending

We are focusing on the sound, 'ai'.

Please find the mild, spicy and hot blending sheets attached. They are the same format as last week. We would like you to choose the level of challenge you want. If you don't have access to a printer, you can copy one of the challenges into your jotter and complete it there.
