

# Finding the Change

Score out the coins that you would need to pay for each item and count how much change you would be given from 10p. Write the answer in the box!

I paid with	I bought	my change
	 4p          	
	 7p          	
	 5p          	
	 9p          	
	 3p          	
	 8p          	
	 6p
