

# Primary 2

## Our Virtual Beach Trip

### Week Beginning 15 June 2020

Choose two activities a day and post photos on your Online Learning Journal. Your teacher will then reply to you!

<p>Pack a bag for a day at the beach. What would you need to take? Draw and label all your items.</p>	<p>Can you plan a journey to the beach from your house? Which beach will you visit? Use Google maps to help you.</p>	<p>You will need to take lunch with you! Plan a picnic with some healthy items and a few treats. What do you need to keep cool on a hot day?</p>
<p>Design a picnic rug to sit on at the beach. Consider using patterns to decorate it.</p>	<p>Check the tide times online. What time is best to visit the beach so that you can access the water easily and safely? <a href="https://www.tidetimes.org.uk/">https://www.tidetimes.org.uk/</a></p>	<p>Research beach safety and make a poster with key points of how to stay safe at the beach. <a href="https://rnli.org/safety/beach-safety">https://rnli.org/safety/beach-safety</a></p>
<p>Look and listen to the Powerpoint about beaches in the past and present. Can you draw a picture of a day out at a beach in the past?</p>	<p>Look at the attached price list for the ice cream van. Choose 4 items from the list and work out how much change you would get from £1.</p>	<p>Can you write an acrostic poem with the word 'Beach' or 'Seaside'?</p>
<p>Design and make your own sand castle using a variety of junk. Answer the following questions:</p> <p>What 2D shapes can you see? What 3D shapes can you see? How high is your castle? How wide is your castle?</p>
