

Today we are going to combine writing and HWB to create an information poster for sun safety.	<b>LI:</b> I am learning about being safe in the sun. <b>SC:</b> I can show my learning by making a poster about sun safety.	
<b>WATCH IT</b> Watch this video about sun safety. Can you remember the slogan that they use? Can you remember the five things you need to do to keep safe? Did they miss anything?	<h1>Sun safety</h1> 	<b>POSTER MUST HAVES</b> 1.SLOGAN : slip, slap,slop 2.A picture 3.Information labels 4.Information bubbles/boxes to give people information about what to do. 5.Must be at least A4 but can be bigger if you like.
<b>SUN SAFETY WORDSEARCH</b> See if you can find all the sun safety words. Remember to talk to someone about what all the words mean. Can you say a sentence for each word?	<b>SUN SAFETY COMPREHENSION</b> <b>First</b> – Limes (adult read and children answer verbally) <b>Second</b> – Jeffers/Kerr ( read together and answer questions verbally) <b>Third</b> – Seuss (read with support if needed and answer questions verbally)
