Do you need help?
Want to volunteer?

The Hub want to enable local people to do something positive to help with the impact that Coronavirus (COVID-19) is having on the community.

If you live locally and if you are self isolating due to COVID-19, local volunteers could help you with:-

- Picking up shopping or urgent supplies
- Posting mail
- Having a friendly phone call

If you need help, or you are able to volunteer to help locally, why not contact The Hub on 07599 442 822 (temporary telephone number as building currently closed), email: info@fauldhouse.org.uk or join our Facebook group 'Fauldhouse and Breich Valley Coronavirus Help'
