

# Knightsridge Primary School

## Head Teacher's Newsletter - February

### Vision, Values and Aims

This session we have been working alongside pupils, parents and partners to refresh our school Vision, Values and Aims. Having collaborated with our partners we have collated all the evidence and created these to reflect our ethos and beliefs.

We have taken the initials **KPS** and used these to tell the story we would wish our children to aspire to.

**K** – Kindness

**P** – Perseverance

**S** - Success

At Knightsridge Primary School our **vision** is:

**To Be the Best We Can Be**

This vision is portrayed in our school's **aims** to:

- create a welcoming and happy environment where all achievement and attainment is celebrated
- listen to and consider all points of view
- provide a variety of stimulating opportunities and experiences to maximise potential
- equip children with the skills for learning, life and work
- recognise and support different styles of learning and teaching
- work in partnership within our school and the wider community

Our **values** guide the way we work.

**Together we will:**

- respect and look after each other and the world around us
- actively encourage and promote health and wellbeing
- foster a positive mindset and a nurturing approach
- create a challenging, engaging and responsive environment
- provide a safe, supportive and inclusive community where we value everyone
- build on the strengths, interests and aspirations of all
- promote equal opportunities, respect diversity and value the special contribution everyone can make

We know that you will support us as we look to the future and take our vision forward to ensure our children have the very best opportunities during their Primary School years.

### **Go Orange Day**

Thank you to everyone who contributed to our *Go Orange Day* in support of Muscular Dystrophy. It was wonderful to see children and staff dressed in a splash of orange to recognise the excellent work this charity undertaken. We must thank Oliver for leading this initiative. He was an excellent ambassador for this work and through his commitment and enthusiasm we raised an amazing £320.

### Parent Consultations

The next scheduled parents' consultations will take place on **Tuesday, 25<sup>th</sup> and Wednesday, 26<sup>th</sup> March**. A letter will be sent home outlining these arrangements after the midterm break. You will have the opportunity to book an appointment of your choice with your child/children class teacher online. Children in P3 - P7 should attend this meeting, as it is important for them to discuss their learning and their next steps in learning. If there are confidential issues to discuss, the teacher will make arrangements for this to happen without your child being present.
