

Knightsridge Primary School

Pupil Groups – Term 3

'Every child has the right to be heard and have their views considered' **Article 12**

Pupil Voice is very important in our school as it gives our children the opportunity to take on leadership roles across different areas of life. These roles give our children further chances to develop skills for learning, life and work. We are very proud of the commitment and effort that all of our young learners demonstrate across the school and community. Our four House Captains serve as excellent ambassadors at many events and always carry out their duties to the highest standard and portray our school values of Kindness, Perseverance and Success.

Rights Respecting Schools

World Book Day will be celebrated on Thursday 7th March. We believe children have the right to an education and reading is key to this. Our group will be leading the school in a couple of exciting events to celebrate WBD and to support Book Aid who provide libraries to children across Africa. More information to come soon! We will be joining forces with the International Group and Eco group to consider the importance of clear air as part of the OutRight campaign and a wider school project. Rights has also been considered at class and school assemblies.

Pupil Council

The Pupil Council have been working hard this term looking at evidence of Learning and Teaching around the school. They have been talking to their teachers and classes about the School Improvement Plan priorities and reporting on what they are doing in their classes to promote Literacy, Numeracy and Health and Wellbeing. They have been helping to gather evidence for the 'Learning and Teaching Bus' where they are sharing their work with everyone.

International Group

At KPS we are part of a worldwide movement to support young people to learn that they have the power to make a difference in the world. It offers a great opportunity to look at global issues such as where our food comes from and how we are connected to people around the world.

We are celebrating Fairtrade Fortnight from Monday 25th February to Friday 8th March this term. Pupils all over the school will be learning more about Fairtrade products such as honey, coffee, chocolate and rice. The International Group will be presenting an assembly about the Fairtrade Fortnight theme which is cocoa and all the exciting things we have planned.

On Thursday 28th February, the International Group will be visiting our local Fairtrade Sponsor the Co-op to deepen their understanding of the links between farmers, retailers and consumers. Following this exciting trip, group members will share all information and new learning with their class.

Eco Group

We are working very hard at maintaining our Eco status in school this term. We are due our renewal inspection to ensure that we have kept up the required standards.

The Eco group continue to check on our playground to see how Winter weather has affected our planters and our bug hotel. We have identified our 3 areas of focus this session, they are Litter, Biodiversity and School Grounds. We will be looking at our grounds to see how we can make them more biodiverse with the help of Mr Rowland. We will be organising our annual community Spring Clean in partnership with the Vennie.

As always we are looking to see who is a waste warrior and not wasting food, paper or paper towels and completing our class jobs ensuring we are an Eco - Friendly school.
