## Pupil Groups – Term 3

'Every child has the right to be heard and have their views considered' **Article 12**

### House Captains

Our House Captains continue to meet every Tuesday morning to record and display the house points gained the previous week. This information is displayed on the 'House' wall just outside the 'Sunshine Room'. Currently McKenzie House is leading with 1,650 points. The House Captains have also been very busy supporting the school in other ways. They supported the Primary 4 book celebration held at Carmondean library on the 29<sup>th</sup> and 30<sup>th</sup> of January. They have been collecting and collating information from teachers about organising new resources for individual classes. They are also looking at ways staff might contribute to earning house points too.

### JRSO

The Junior Road Safety Officers will be turning their attention to how our pupils travel to school and promoting "Park Smart." They will conduct surveys and compile the data and share with the school community.

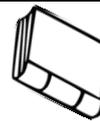

Our school carpark and surrounding areas are such busy places and the J.R.S.O's are keen to ensure the safety of all. They will be seeking the support of our Parents and Carers as they promote this initiative. Remember together everyone achieves more!

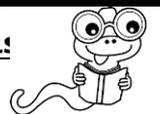

### Sports Committee

The Sports Committee hit the ground running this term with lots of discussion and plans made at our meetings. They have planned a Come and Try Tennis event and are just waiting for a dry Tuesday to get the equipment out to the playground so that the children can play tennis. The Committee researched successful Scottish Athletes from a variety of sports and sent this information to all classes during Scottish Fortnight. Following up a suggestion from Mrs Marshall the committee designed a football referee application form for P6 or P7 pupils to complete if they would like to be a referee at lunchtimes. They tried out some gymnastics equipment in the hall and discussed different ways this could be used in lessons and asked their classmates what they would like to do in gymnastics lessons. The latest plan is to introduce a weekly run on a Tuesday lunchtime (a bit like the daily mile) to develop pupil fitness and get them prepared for the Fun Run in June.

### Junior Librarian:

The Junior Librarians are very excited about Book Week which is coming shortly to KPS. They are planning and thinking of new ideas to encourage readers of all ages to use the library. They are going to launch 'Book Bingo' and are going to talk to the classes about this idea. They have hidden more Golden Tickets in the libraries and we can't wait to see who the lucky winners will be this term! We were all very proud to see our work published in the Scottish Book Trust blog this month and we want to keep up this good work and continue to make lifelong readers at KPS.
