

# Battleships

## Home Physical Education

Can you play fairly and keep the score?

### How to play:

- With a partner, each player places three targets (battleships) in front of them.
- Players take turns to throw an object towards their opponent's battleships.
- Each time a battleship is hit, it is removed.
- Players are not allowed to stop the object from hitting a battleship.
- The winner is the first player to hit all of their partner's battleships

Can you keep trying even if you miss the target?
